

BERK SOFA

BERK SOFA

Berk by Ricardo Barddal – The BERK sofa takes its name from the revered eagle trainers of the Kazakh people, who inhabit the cold, unforgiving landscapes of Mongolia. With contemporary, clean—yet sharply defined—lines, the BERK exudes comfort thanks to a thoughtfully engineered ergonomic design and Bell'Arte's exclusive comfort system, which combines retractable seats, backrest mechanisms with adjustable lumbar supports, and siliconized fiber cushions.
