

BAY ARMCHAIR

BAY ARMCHAIR

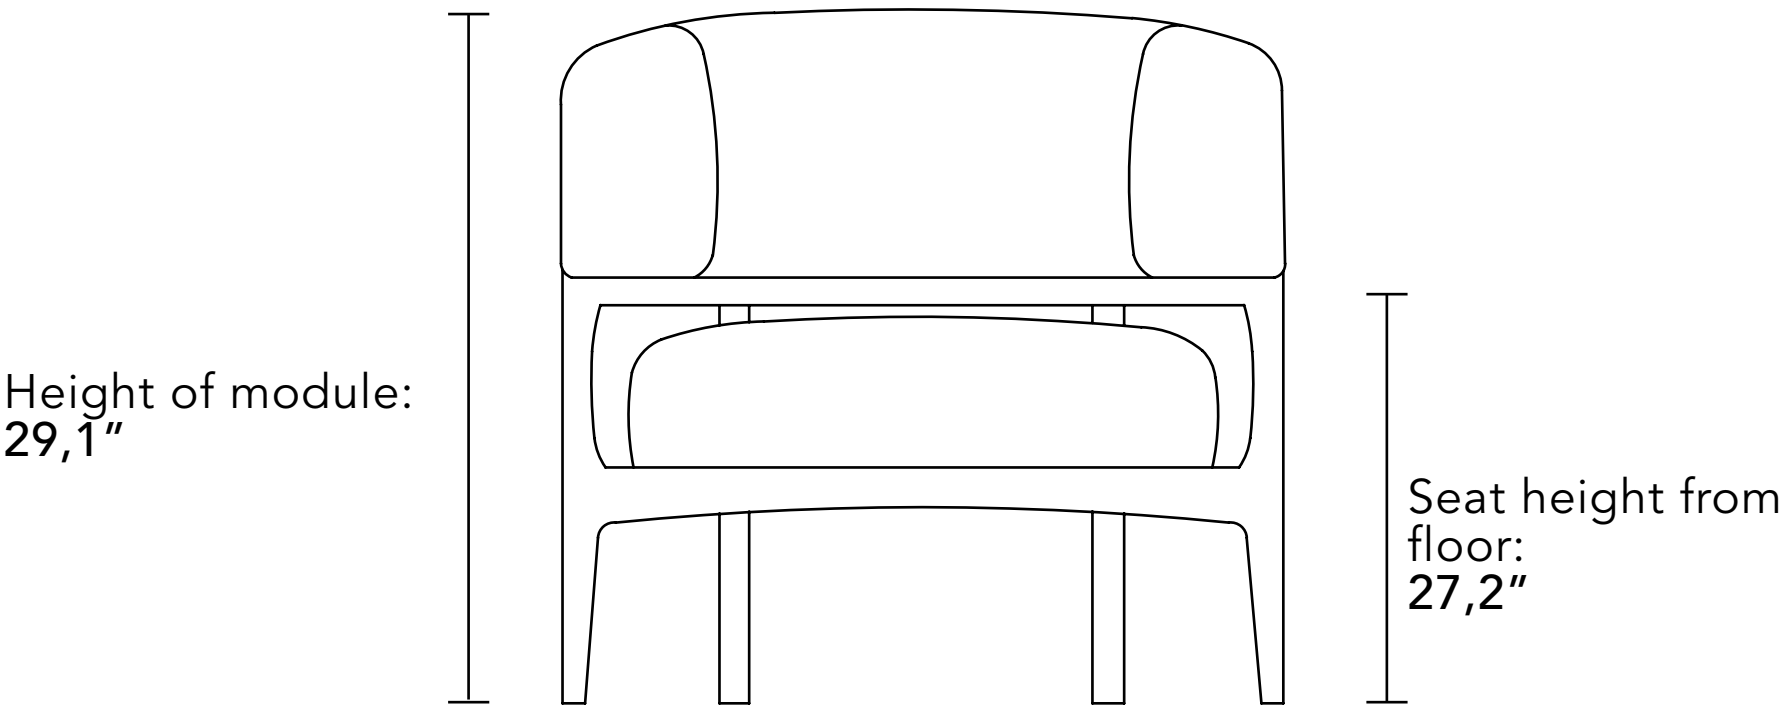

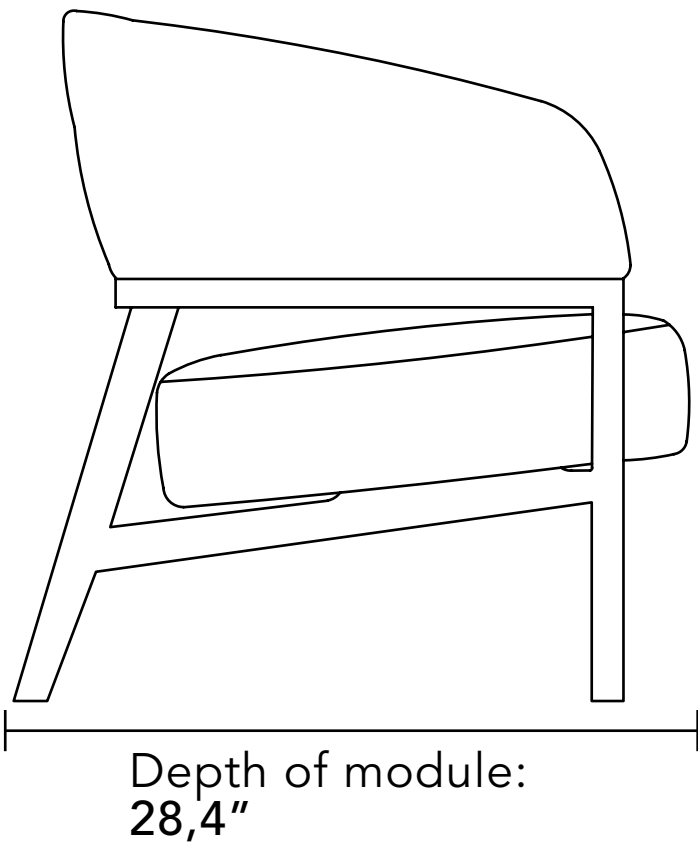

Bay by Ricardo Barddal – The BAY armchair was developed to meet the growing demand for furniture and décor pieces that fit into smaller spaces, without sacrificing comfort. Independent seat and back modules, mounted on a wooden base, the piece brings together comfort and beauty, combined with the quality of a Bell'Arte product.

Backrests
Fixed – foam [density 20 kg/m³] upholstered with siliconized polyester fiber padding.

Base
Jequitibá wood – [10,2”] height.

Removable parts
Backrest, seat, and base.

A modern, low-profile sofa with a plush green velvet upholstery and a dark, possibly black, frame. The sofa is positioned in a bright, contemporary living room. In the background, there is a large window with vertical wooden slats, a potted plant with broad green leaves, and a chandelier. The floor is made of dark wood, and a light-colored rug is partially visible under the sofa.
