HOW TO ORDER STOCK FOR YOUR MU POP-UP SHOP!

Please email or phone your order, it will be acknowledged and dispatched. A tax invoice will be emailed separately. If you do not receive the goods in a reasonable period of time, you should contact the department.

The prices are what the Publication Department charges to assist you in setting prices for your members. Prices may vary from one diocese to another mainly due to individual diocesan costs plus postage.

Proceeds of the Publication Department are used to promote and support AMUA. I encourage you to stock as many of the items in the Catalogue as you can and to promote them amongst not only the AMUA members, but also your Parishes and other people with whom you may come into contact. Why not order a new item and test it for sale? If there is a new item you think may be suitable to carry in the warehouse, please let me know.

For ease of handling some AMUA stock is packed and priced in packs of ten, but you don't have to order or sell in tens.

Should you have any queries, please contact me.
