

SCAN~LINK

DATA SHEET HARD HAT KIT

The **SCAN~LINK Hard Hat Kits** allow for almost any standard hard hat to be converted in to an Armour-equipped piece of apparel. Using the hard hat kit in conjunction with an Armour-equipped vest will provide maximum protection. Each hard hat kit includes a set of 10 passive RFID tags. These tags are placed in the interior or exterior of the hard hat. Each set of tags has a unique ID. The tags are double laminated to provide improved adhesion and durability, and are weatherproof and sweatproof.
