## St. Francis of Assisi Parish Center Sponsorship Gift Opportunities

Our new Parish Center is a much-needed step in the life of our current community, and an investment that will server generations to come. This center will greatly enhance our faith community by bringing our activities together on one campus and Sponsorship Gift Opportunities will allow those who contribute to leave a lasting legacy.

Consider a Sponsorship Gift Opportunity can pay tribute to loved ones, whether they are with us or have passed away.

Sponsorships are allocated on a first-come, first-served basis and will be assigned only once during the campaign. If you are interested in a Sponsorship Gift Opportunity, please contact the parish office.

Large Windows	4	\$32,000	\$8,000	4

All contributions to the campaign will be acknowledged on individual plaques as part of a Giving Tree, which will be prominently displayed on a wall in the new Parish Center. Sponsorship plaques will bear the name of the Sponsorship Gift Opportunity with the name of the individual/family contributing or the memorial tribute. We kindly request that each Sponsorship Opportunity be limited to a maximum of two names.

Regardless of the donation amount, all donors will be recognized for their dedication to this initiative.

It's important to note that the associated amount for each Sponsorship represents its significance in the new Parish Center and not the actual cost of a given item.

*\*Please check with the Campaign Office on the availability of all Sponsorship Opportunities before sending in your pledge response.*
