

The 2026 Dundarave Hoedown Colouring Gallery

◆ By Patricia Barnes

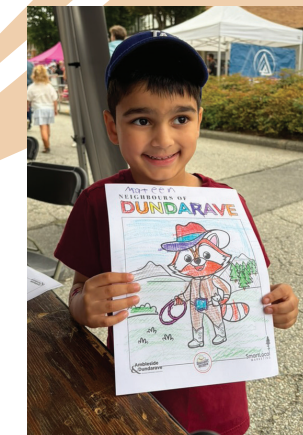

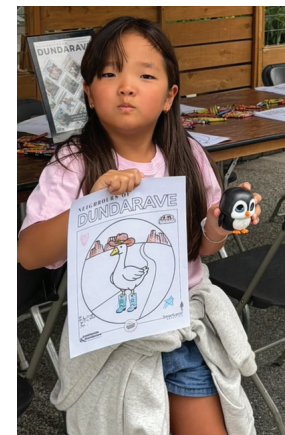

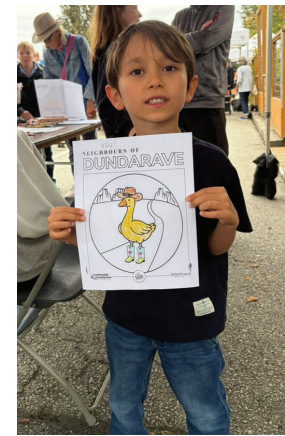

This year's Dundarave Hoedown was a blast from start to finish. Our colouring booth quickly became a hotspot for artists of all ages, grabbing crayons and turning our sheets into bright, imaginative masterpieces. From multicolour cowboy raccoons to glamorous girls on galloping steeds, their creations were as joyful as the event itself, and we couldn't resist showing off a few of their masterpieces here.

It was a chance to meet so many wonderful people, share some giggles, marvel at the Pie Eating Contest and soak up the lively Hoedown spirit together. From toe-tapping music to kids proudly holding up their finished drawings, the whole day was filled with colour in more ways than one. Thanks to everyone who stopped by to say hi; you made our day shine brighter than a disco ball in a barn dance!
