Candle Light Massage

A BETTER EXPERIENCE IS A FEELING OF PEACE.

If you feel physically and mentally tired, the solution is a candlelight massage.

This aroma candle accompanied by different techniques with aromatic oil that will produce a comforting body total rest. The fat candle is transformed into a warm oil that is poured directly on the skin, being a real pleasure for the body and a delight for the senses. This massage will soothe you down.

Deep Tissue Massage

A BETTER EXPERIENCE IS FEELING RELAX.

Deep tissue massage is a technique that combines the experience and deep pressure of different tissues to help eliminate muscle tension. This technique is especially effective to eliminate toxins, increase blood circulation and benefit the range of joint movements.

Intuitive Massage

DO YOU WANT A MASSAGE THAT IS NOT GENTLE, BUT IS NOT STRONG?

What you need is an intuitive massage, where the therapist will adapt the required pressure on the different areas of the body and intensify the massage where tension or manipulations and more relaxing movements are needed.

Besides, stretching can help improve muscle tone and flexibility.
