Heather Winkle—804 629-1389 heatherwinklemazza@gmail.com We replaced dock flooring, sistered new joists to defective joists, applied StoneWood silica aerogel to prevent further rot, re-decked it and also repaired their seawall using StoneWood on that as well. This is a recent job. We are currently designing a screen porch for them.

Adam Grossman—585 233-6929 adam@adamgrossman.net. Huge job. We resurfaced his main deck and upper deck with composite, installed a beautiful type of skirt around deck, installed a railing I designed, installed Trex Rain Escape to waterproof the upper deck, outdoor shower, wrapped 6x6 posts in vinyl, etc. This is a recent job.

Above four photos of Grossman deck were taken before the deck was finished. Railing will be black. Ceiling under deck on right covers Trex Rain Escape which sheds water. Columns and main beam are trimmed in vinyl.

Mike Lombard— 540 809-8430 mblombard@gmail.com. Medium size deck that we framed. He finished. This is a recent job.

Keri Walker – 540 710-4501 keridawnwalker@gmail.com I designed and my firm built a [deck and gazebo wedding feature](#) for her new wedding venue business at Arbor Haven in Spotsylvania. It is the first photo/article on the page. As I recall, Keri acted as her own General Contractor and saved a bunch of money... but we did all the work. Her business is thriving by the way!

David & Marina Wagner - 540 845-5285 micm282@gmail.com We removed decking and railings on existing deck and replaced it with iDekk flooring and white vinyl railings... and installed a beautiful paver patio.
