Keri Walker – 540 710-4501 keridawnwalker@gmail.com I designed and my firm built a [deck and gazebo wedding feature](#) for her new wedding venue business at Arbor Haven in Spotsylvania. It is the first photo/article on the page. As I recall, Keri acted as her own General Contractor and saved a bunch of money... but we did all the work. Her business is thriving by the way! Another [photo is here](#) about half way down the page. Can you tell I love the iDekk GeoDeck composite?

Ray Mills - <https://www.composite-decks.com/project/ray-mills-geodeck-deck-screen-porch/> Ray used our “We Frame – U Finish” service and installed the decking and railings himself. The preliminary plans for [this project](#) are also online. His address is 15455 Arnold Palmer Dr., Haymarket, VA 20169. Home phone is 703 753-2468. Ray has always been eager to talk about the project we designed and built for him that he also finished.

Mark & Sharon White – We removed old PT decking and railings and replaced with GeoDeck iDekk composite on a large deck overlooking Lake Anna. They acted as their own General Contractor. Prefer email. Sharon saw@msani.com or Mark mawhite@deloitte.com

Jim Knisely – 540 845-2427 (cell) and <mailto:james.c.kniseley@gmail.com>. Jim had us design and build a deck on one side of his house and a screen porch on the other. He acted as his own General Contractor and saved a bunch.

David & Marina Wagner - 540 845-5285 micm282@gmail.com We removed decking and railings on existing deck and replaced it with iDekk flooring and white vinyl railings... and installed a beautiful paver patio. I will send photos in another email.
