What source did you use to figure out the fair market value of your eggs?

Your Market Egg Project Story

Tell your poultry egg project story through your own words. It should cover why you selected the particular breed of birds as layers. You should also describe your daily care and egg collecting routine. It should also list any problems, if any, you had with your project. For example, if there is a drop in egg laying, explain what you did to get your birds well. The project story should be a summary of what you have learned from your market egg project experience. (Additional pages may be added, if desired.) Use complete sentences.
