What will I learn?

This workshop is designed for service providers who work on remote communities. It includes:

- **Dynamics, drivers** and how to **recognise** domestic, family and sexual violence (DFSV) in a remote context in Central Australia
- **Coercive control**
- How to identify **high risk indicators** for DFSV
- **Practical tools** in **responding** to DFSV from a **trauma-informed** approach
- **Safety planning** and **risk management**
- **Mandatory reporting** requirements in the NT
