

# 1. PRODUCT AND COMPANY IDENTIFICATION

**Product Name:** 

BALANCER2, DERMATICARE

**Product Identifier:** 

GTIN 860002400204

**Product Brand:** 

Wind River Microbes Inc

Recommended use:

Agriculture, animal husbandry, livestock supplement, wounds, skin care

Manufacturer:

Wind River Microbes Inc P.O. Box 638 / 27555 E 1940 Rd Ringling, OK 73456-0638 Phone: 580-465-2849

**Emergency Contact** 

580-465-2849

### 2. HAZARD IDENTIFICATION

# **GHS Classification**

Hazard categories: None Acute Toxicity: None Skin Corrosion/Irritation: None

Organ Toxicity: None

Hazard Statements: Non-hazardous to humans, plants, animals, environment

May cause diarrhea if ingested in large amounts

**Hazardous Components:** 

None

**OSHA Hazards:** 

Non-toxic liquid according to GHS

**Precautionary Statements:** 

Not applicable

#### 3. COMPOSITION

### **Chemical Characteristics:**

Liquid

Natural Biotechnology Formulation; 100% selected natural microorganisms in an aqueous solution

Synonyms:

Microbial supplement, prebiotic/probiotic, biodermatology

**Hazard Components:** 

None according to OSHA criteria

# 4. FIRST-AID MEASURES

# **General Information:**

No special measures required; Consult with physician if irritation occurs

**Inhilation:** 

No special measures required; Consult with physician if irritation occurs

Contact With Skin:

No special measures required; Consult with physician if irritation occurs

### **Oral Ingestion:**

No special measures required; rinse mouth with and drink water, as needed; Consult with physician if irritation occurs

### 5. FIRE-FIGHTING MEASURES

Flammability:

Non-flammable

**Extinguishing Media:** 

Not applicable

**Hazardous Combustion:** 

None

# 6. ACCIDENTAL RELEASE MEASURES

PPE:

None required

**Environmental Precautions:** 

None

**Containment and Clean-Up:** 

Mop with water

#### 7. HANDLING AND STORAGE

# **Precautions for Safe Handling:**

None

**Storage Conditions:** 

Store at room temperature

Keep out of direct sunlight

Avoid extreme temperatures (below 32° F, above 110° F)

Store in clean, dry areas away from toxic materials

Keep container closed when not in use

**Incompatible Products:** 

Bleach, antibacterial solutions, fungicides may affect viability

### 8. EXPOSURE CONTROLS/PPE

# **Personal Protective Equipment:**

Not required; a well-ventilated area is recommended

**Hygiene Measures:** 

Handle with food safety measures

# 9. PHYSICAL AND CHEMICAL PROPERTIES

# Appearance:

Liquid

Clear/lightly cloudy

Odor: Lightly fermented smell, musty, sweaty

Safety Data:

Gravity: 1.2 (77° F) Melting Point: N/A Boiling Point: 212° F % Volatility by Volume: 0 Water Solubility: 100%

Evaporation Rate: Equal to water

# 10. REACTIVITY AND STABILITY

Reactivity: None

Chemical Stability: Stable under normal conditions of use and temperature

Hazardous Reactions: None Conditions to Avoid: None

Materials to Avoid: Listed under "Incompatible Products" Hazardous Decomposition Products: None, biodegradable

### 11. TOXICOLOGICAL AND ECOLOGICAL INFORMATION

Toxicology: N/A Toxicity: None

Persistence and degradability: Biodegradable

### 12. DISPOSAL

Product: No special requirements

Packaging: Deposit in waste receptacle, or recycle

# 13. TRANSPORT INFORMATION

# **Shipping Class**

60

DOT (US)

Non-harmful goods

**IMDG** 

Non-harmful goods

**IATA** 

Non-harmful goods

# 14. REGULATORY INFORMATION

### Safety, Health and Environmental Regulations

Not applicable

**OSHA Hazards** 

None

#### **SARA Regulations**

Does not contain any chemicals subject to the reporting of SARA

# Restrictions on use:

None

### State Right-to-Know Laws

No substances on the state hazardous substances list are used in the manufacture of product

**Warning** – Substances known to the state of California to cause cancer, birth defects or other reproductive harm DO NOT exist in the product.

# 15. OTHER INFORMATION

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. WIND RIVER MICROBES INC and it Affiliates shall not be held liable for any damage resulting from handling or from contact with the product.
