ABC Preschool Ages 2.9 - 5

ABC Preschool has been a proud member of the community for over 40 years. Our program is licensed by the Department of Early Education and Care (EEC) and our staff members are EEC certified and trained in First Aid and CPR.

ABC Preschool welcomes children ages 2.9 through Pre-K. Entering ABC Preschool at the Arlington Boys & Girls Club is the beginning of a lifelong connection. Children enter an amazing place where teachers and staff are dedicated to helping children be their best from preschool to high school and beyond.

Applications for the 2026-2027 school year are currently being accepted, however spaces are filling up fast. Our preschool program focuses on the social/emotional growth of our students, teaching self-help skills, and fostering independence. Our Pre-Kindergarten program continues to nurture these skills while focusing on kindergarten readiness, while having fun!

Our sunny, spacious, air-conditioned classrooms are located in the lower level of the Arlington Boys & Girls Club. We have a private, fenced in playground overlooking beautiful Spy Pond and are able to utilize the facilities at the Club such as the gym, heated indoor swimming pool and the fenced in outdoor basketball court.

ABC Preschool offers a preschool schedule of 2, 3 or 5 days as well as a 5-day Pre-K schedule. School hours are 8:30 AM – 12:30 PM. We also offer early drop off starting at 7:45 AM and extended day options until 4:00 PM.

A NOTE FROM OUR DIRECTOR

Looking Ahead to an Exciting Summer 2026

Dear Families,

We wanted to share a quick update about our **Summer 2026 programming** and talk with you about an upcoming change. We know how much families rely on summer programs, and we truly appreciate the trust you place in our Club year after year.

During the summer months only, the **Club Kids Drop-In Program will no longer be offered for members ages 8–11**. We understand that this may be disappointing for some families, and we want you to know this decision was made thoughtfully and with the best interests of our members in mind.

This change allows us to focus our energy on providing a more consistent, structured summer experience. With dedicated staff, appropriate supervision, and well-planned activities, we can continue creating a space where kids feel safe, supported, and excited to spend their summer days.

We're happy to continue offering weekly summer programs for members from preschool age through 8th grade, along with a **Teen Drop-In Program** for rising 7th graders through age 17. Space will be limited to help us maintain quality and care. **Registration opens on Wednesday, January 28, and scholarships are available for qualifying families**, please see website for more information or reach out to **Gina** at gduddy@abgclub.org.

Thank you for being such an important part of our Club community. We truly value your understanding and partnership, and our team is always here if you have questions or want to talk through options. We're looking forward to another fun, positive, and memorable summer together.

Sincerely,

Derek F. Curran
Executive Director

Creative Explorers Ages 2.9 - Rising Kindergarteners

Creative Explorers is a summer program for children ages 2.9-5 years old (Preschool, Pre-K, and rising Kindergarteners). Creative Explorers will take your imaginative little ones on a week-long adventure through our theme-based approach to learning and playing. Each session will inspire children to use their creativity as they engage in unique learning experiences in math, science, art, cooking, and water fun each day! Creative Explorers will follow a similar model of the preschool school day and is intended to support children in continuing learning and growing throughout the summer months. The extended day portion of Creative Explorers will include a brief rest time (20 minutes), classroom free play, a snack, and an afternoon theme-based activity.
