Activity 7(a)

Impressions

(20 minutes)

Activity 7(a) Impressions (20 minutes)

 **Goal:** During this activity, scholars should think about how they are seen by the people in their lives and if this matches how they want to be seen. Scholars will think about how their words and actions are perceived by others.

 **Materials Needed:**

- Impressions worksheet (Tracker pg. 52)
- Impressions posters (one for each mentor)
- Adhesive/Tape
- Pencils

 **Distribute:** Trackers, pencils, and have scholars put their Name Tents on their desks.

 **Mentors:** Welcome and Recap Session 6

- *“Who remembers something we talked about in our first session?”*
- **Using the PowerPoint slides:** Review Session 7 agenda
- **Introduce** Impressions worksheet (Tracker pg. 52)
- *“Some studies say that people make major decisions about us within the first seven seconds of meeting us. How we present ourselves, our attitudes, our posture – people are looking at these things and are forming opinions about us.”*

Activity 7(a) Impressions (20 minutes)

Discussion Prompt:

- *“Do you form opinions of people based on how they present themselves?”*
- **Share:** The activity will help scholars think about the impressions that we give to people.
- **Ask:** Scholars to share an example of a time when they changed how they presented themselves or acted to fit into different environments.

Share: Your own personal examples, such as:

- When you interview for a job.
- When you make professional phone calls.
- When you're at your job versus when you're at home.

Review: The list of characteristics. You don't need to go over every word; focus on the ones that scholars may be unfamiliar with.

Share: The first 3 columns of your Impression worksheet (either poster or in Session PowerPoint).

Activity 7(a) Impressions (20 minutes)

Discussion Prompts: Encourage them to think about the impressions they make.

- *“What impressions do we give different groups of people? How we act with our families might be different from how we act at school or with our friends – and what about people we first meet?”*
- Tie into when they practiced mock interviews during Session 6.

How it works: Reflect on how these 3 different groups of people probably see them.

- Four columns at the top of the worksheet, **fill out only the first three columns.**
 - *“Think about putting yourself in someone else's shoes, how do those people really see you?”*
- Check off or shade in only the **top 5** characteristics of how you think...
 1. *Your parents/guardians see you.*
 2. *Your friends see you.*
 3. *People you meet for the very first time see you.*

Impressions

Put yourself in someone else's shoes! For this activity, think about how the groups of people below see you based on your words, actions, and the environment they see you in, etc. You can only check off 5 words for each group. After you've completed the blue columns, stop until your mentors give you the next set of instructions.

Once we have a vision for ourselves, we can then make decisions and act in a way that helps to make that vision come true. No matter where you’re going to high school, it’s up to you to make the most of it, find your support and opportunities – to do what you can to make your visions come true.”*

Activity 7(d) High School Visions (50 minutes)

Celebrate the True2U Program Year!

As we come together for our final session, please lead with patience, grace, and understanding. The district is navigating significant staffing reductions, and while details are limited, your kindness and empathy can make a difference.

Thank you for all that you do to make True2U such a meaningful and supportive experience for our scholars and CMSSD partners.
