SUGGESTED ITINERARY

SUNDAY DAY 1 - L,D

Depart for our first stop. The historic Salem Cross Inn welcomes us for a delicious lunch. Warm up by the crackling fire and be entertained by a local musician all while enjoying a hearty lunch. We continue our day at the Norman Rockwell Museum. Here, sit for a short film on Rockwell's life that ultimately led him to Stockbridge. Tour the permanent gallery of his work as well as a temporary exhibit. We'll have you checked into the Red Lion Inn with plenty of time to enjoy the outdoor heated pool, the tavern which often has live music, or the many sitting areas with fireplaces which are great places to enjoy a glass of wine with friends.

MONDAY DAY 2- B

Our morning starts with a traditional breakfast at the Red Lion Inn. We'll have a later departure to give you time to take a walk around the quaint little town of Stockbridge. Then it's off to the Springfield Museums. Enjoy the holiday themed exhibits and don't forget to find The Grinch! Our last stop will be the Yankee Candle Flagship store. Take a stroll through their Bavarian Village where it snows inside, visit the candle shop, and pick out your favorite scent. Don't forget to grab a slice of fudge. An early evening arrival home is expected.
