12.30pm - Arrive **Hydro Majestic Traditional High Tea & Tour** provided

Perhaps as early as 1901, Mark Foy, dashing retail baron, world traveller and sportsman, sold off shares in Mark Foy's Department Stores to finance what was to become Australia's first health retreat.

Most of the construction of the Hydro Majestic took place in 1903, the same year Mr Foy successfully applied to have the name of the township changed to the more appropriate "Medlow Bath" The inner workings of the resort were all thoroughly modern and included a steam-driven generator imported from Germany. This generator produced electricity for the resort and the neighbouring township of Medlow Bath. In fact, the Hydro Majestic had working electricity four days before the city of Sydney. The resort also had its own water supply, steam laundry, freezing works, sewerage treatment works and a telephone system connected to the Sydney exchange.

03.45pm - Depart Hydro Majestic

09.15am - Arrive **Three Sisters**, Echo Point Lookout

The Three Sisters is the Blue Mountains' most spectacular landmark. Located at Echo Point Katoomba, around 2.5 kilometres from the Great Western Highway, this iconic visitor attraction is experienced by millions of people each year.

The Three Sisters is essentially an unusual rock formation representing three sisters who according to Aboriginal legend were turned to stone.

The character of the Three Sisters changes throughout the day and throughout the seasons as the sunlight brings out the magnificent colours. The Three Sisters is also floodlit until around 11pm each evening looking simply spectacular set against the black background of the night sky. Each of the Three Sisters stand at 922, 918 & 906 metres tall, respectively. That's over 3000 feet above sea level!

10.15am - Depart Three Sisters

10.30am - Arrive **Scenic World** (lunch at own leisure)

THE ICONIC SCENIC SKYWAY. THE WORLD'S STEEPEST RAILWAY. THE SOUTHERN HEMISPHERE'S STEEPEST AERIAL CABLECAR. KILOMETRES OF ELEVATED RAINFOREST BOARDWALKS. MOUNTAINS OF FUN.

Established in 1945, Scenic World began with Harry Hammon's entrepreneurial vision to transform a former coal mine into an iconic tourist attraction. With the closure of Katoomba Colliery in 1945, Harry recognised an opportunity to innovate, converting old coal skips and existing rail track into a passenger train, creating what is still today the world's steepest passenger train.

Today, Scenic World continues to be owned and operated by the Hammon Family, offering award-winning experiences to over a million visitors annually.

12.30pm - Depart Scenic World

01.00pm - Arrive **Everglades House & Gardens** 37 Everglades Avenue, Leura

A must-see for lovers of Art Deco architecture and natural scenery, Everglades House & Gardens is a stunning heritage residence surrounded by gracefully designed gardens. Located in Leura, NSW, this unique Blue Mountains property is Australia's most spectacular inter-war period garden and has received acclaim from garden lovers worldwide.

*Visitors can enjoy sweeping views of the World Heritage-listed Blue Mountains, while strolling through the beautifully maintained gardens and exploring the Art Deco house. On weekends, stop for a delicious Devonshire Tea in the Everglades House & Gardens **tea rooms**. If the weather's sunny, bring a picnic to enjoy on the lush green lawns.*

10:15am - Arrive **Zig Zag Railway** (Clarence to Bottom Point & Return, lunch provided)
(11:30am Departs and Returns 01:00pm)

The Great Lithgow Zig Zag first opened in 1869 as part of the Western Railway line that linked Sydney with Western New South Wales. This railway line was used to transport people and produce from the western plains of NSW to and from Sydney.

In 1910, a ten-tunnel deviation was completed and the Great Lithgow Zig Zag closed and the original formation was declared as a reserve by the Crown. 60 something years later, Zig Zag Railway was born.

*Many will remember Zig Zag Railway from their childhood – riding the train in the 70s, 80s or 90s. **Come and relive the magic** of steam trains and admire how much it has changed (and hasn't) since you last came aboard.*

02:30pm - Depart Zig Zag Railway

03:00pm - Arrive **Blue Mountains Heritage Centre & Govetts Leap Lookout**

Perfect for groups and completely wheelchair-accessible, the centre also hosts the permanent 'Outside In' exhibition. Learn about the local Aboriginal culture, plants and animals, and discover the history that make Blue Mountains National Park one of Australia's most popular and famous destinations.

Wheelchair-accessible Fairfax Heritage walking track starts here and leads to the picnic area, with scenic views of nearby Govetts Leap lookout – a perfect spot for photo opportunities. Enjoy the lookouts with stunning waterfall views over Grose Valley and be treated to bursts of colour from the wildflowers if you visit in summer.
