WHY STUDY IN CANADA?

Qualifications valued around the world

Canada's high academic standards and rigorous quality controls mean that you'll be earning a high-quality education that will open doors for your future and benefit your career over the long term. Canadian credentials will open doors to your future and benefit your career.

Affordable and flexible education

Cost of living and tuition fees for international students are generally lower in Canada than in other countries. Canadian education is also known for offering flexible transfer pathways between types and levels of education.

Multicultural society in a diverse and inclusive environment

Canadians are known for being friendly, open, safe and tolerant and our country welcomes students from more than 200 ethnic origins.

Healthy and safe communities

The United Nations consistently ranks Canada as one of the best places in the world to live. You'll enjoy all of the freedoms which protect Canadians: respect for human rights, equality, and a stable and peaceful society.

World-class language education

Canada is a bilingual country and is considered a world leader in language training since teaching of French and English as a first and second languages is an integral part of a Canadian education.

Exciting campus lifestyle

From wired libraries and Olympic-quality sports facilities, to public concert halls and art galleries, Canada's post-secondary campuses offer you enormous possibilities to combine learning and leisure.

Innovative and abundant research opportunities

The education system in Canada is grounded in a culture of research and development with excellent research facilities supported by the Canadian government and industry.

Land of possibilities

Under Canada's highly dynamic and hands-on academic environment, you will not only acquire knowledge and skills in analysis and communication, but you will also learn how to express yourself, demonstrate your creativity, and develop your self-confidence!

Possibility of immigration

Some international students with Canadian credentials and Canadian work experience may apply for permanent residency without having to leave Canada. For more information about the possibility of immigration to Canada once your schooling is complete, please visit www.cic.gc.ca
