Definition of

Dressed Weight:

The weight of the animal after it is harvested.

Definition of

Live Weight:

The weight of the animal when it is live right before harvest.

*** Dressed weights can vary quite a bit so only use the averages as a reference only. Actual dressed weights can range from 600-840 for natural-finished beef and 540-720 for grass-fed beef.

Pork:

All-Natural Pork -

\$4.25/lb – dressed weight (includes processing)

\$3.00/lb – live weight (includes processing)

Average dressed weight is 200-240 lb

Half (side) Pork -	Estimated total price \$425-510
	Estimated yield 70-90 lb
Whole Pork -	Estimated total price \$850-1000
	Estimated yield 140-180 lb

*** Dressed weights can vary quite a bit so only use the averages as a reference only. Actual dressed weights can range from 180-300 lbs.

Delivery Charge:

\$40.00 – Per drop for scheduled delivery (in delivery area, add \$1.25 per mile outside area)

\$20.00 – Farm pickup (Letohatchee, AL or Harvest, AL)

\$60.00 – Per drop if re-schedule delivery***

***If we contact you about a scheduled delivery date and you cannot receive at that particular time, we charge an increased amount to schedule a new delivery day/time. This is due to us having to unload your meat from the truck and re-load for a different day/time.

Deposit Payment:

A deposit is due when order is placed. Accepted payment methods: Cash, Check, Credit Card, Venmo, CashApp and AppleCash. The deposit is NON-REFUNDABLE. That means, if you cancel your order at any time, the deposit will NOT be refunded. Once you order, there is a large amount of scheduling and preparing an animal for you. Please consider this carefully.

¼ Beef - \$100

½ Beef - \$200

Whole Beef - \$400

½ Pork - \$100

Whole Pork - \$200

Balance is due when meat is picked up or delivered. Accepted payment methods: cash, check, credit card, Venmo and PayPal. **There is a 3% fee for using any of the electronic payment method for the balance.** There is NO fee to use a credit card for the initial deposit payment.
