

His Ways, His Torah.

by Rabbi: Ivo (Avidan)

The Spirit of Adonai leads us to do what is written in Torah, we can't excuse ourselves not to do it.

In the book of Romans, Shaul writes:

“Because the Torah of the Spirit, which produces this life in union with Messiah Yeshua, has set me free from the “torah” of sin and death. Romans 8:2.

Now, what is Torah? As it's written in this book. Torah is; Teachings, Doctrine and Instruction. So it is very important to understand how the writing is here, over this announcement of the word of God. Shaul says that he is free from the torah of sins that produces death. Ok, so he means, the teachings and doctrines as well as the

instruction that brings people to walk away from Adonai, by not trusting in him. If we claim to be God's children then we have to put our trust on God, this is the only way to have life. What Yeshua did, is the only way of life.

There are many people who have the wrong teachings, that lead them into traditions and this is what they teach.

Teachings about excusing themselves into the Torah, by not doing it because they believe that if they do what is written then, they are god!

There is also the teaching of that, The Covenant (Torah) of Elohim is faulty which is really a misunderstanding of what the Covenant is about. The author of the book of Messianic Jews, also known as Hebrews, mentions that the fault is not the Covenant but with the people.

“But now the work Yeshua has been given to do is far superior to theirs, just as the Covenant he mediates is better. For this Covenant has been given as Torah on the basis of better promises.

Indeed, if the first Covenant had not given ground for fault finding, there would have been no need for a second one. For God does find fault with the people.” Hebrews 8:6-8. He explains that Elohim finds the fault with the people not his own Covenant! As he spoke through his prophet Yirmeyahu (Jeremiah) that they violated his covenant by walking away from him, and doing their own traditional ways, which are to do with demonic behaviour.

The way of God is the renewal of the first covenant, this implies that a few things are renewed; like the sacrifice of our Messiah brings life through his blood that we received for not only our forgiveness, as it was practiced in the old covenant, but we received the blood of Yeshua as the ultimate sacrifice for us to be washed away from our old

way of life. The other thing that Elohim renewed is the call to everyone who comes back to him, the calling is for us to become his Priesthood, everyone is a priest for Adonai-Yeshua, which it used to be only to the tribe of Levi, but now all are, so we can do it by using the Spiritual Gifts that we were created with. Yirmeyahu was called as a prophet.

“Before I formed you in the womb, I knew you; before you were born, I separated you for myself. I have appointed you to be a prophet to the nations.” Yirmeyahu 1:5.

This also explains that everyone is called to a different office to do Adonai's will.
