OF DISTINCTIVE  
FENCING MATERIALS  
AND STYLES FROM THE AREA'S  
LARGEST MANUFACTURER OF  
RESIDENTIAL, COMMERCIAL AND  
INDUSTRIAL FENCING.

## CITY FENCE

### Enhancing the Beauty, Value and Privacy of Your Home and Property

The right fence- style, color, material choices: wood, pvc, steel, aluminum, or galvanized will add new dimensions of beauty, value and privacy to your home and property. An attractive, well-crafted fence makes a statement; it lends charm, grace and ambiance to a home. A fence muffles noise, adds privacy and security, protects against wind and snow and expands your living area to include the outdoors. Importantly, a fence is a capital expenditure which increases the value of home and property. It's an investment which continues to pay dividends year after year.

Featured here are just some of the fencing materials and styles now available from City Fence. These photo illustrations represent both traditional and currently popular lines of fencing.

B

- A. Gothic Spaced Picket
- B. Concave Board on Board
- C. Convex Board on Board
- D. Western Red Cedar Split Rail
- E. Arcadia with 2444 Construction (back rails go through posts)

## WESTERN NEW YORK'S LARGEST

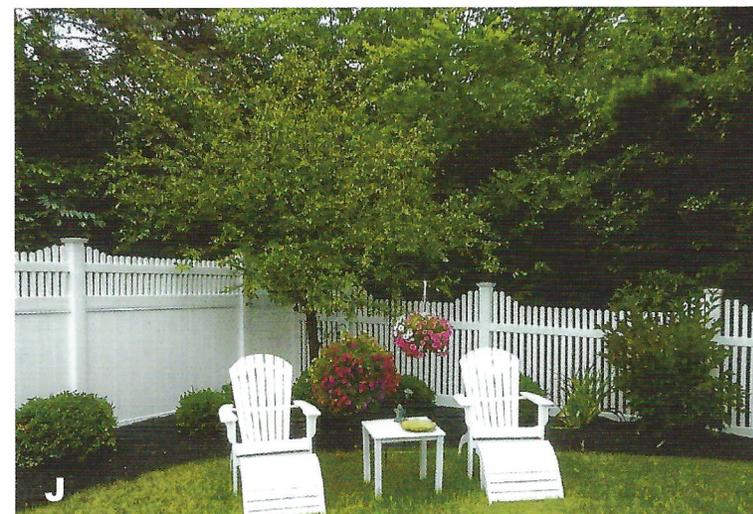

Now in the third generation of a family commitment to excellence, City Fence is Western New York's largest manufacturer / distributor of quality fencing. Completely state-of-the-art, City Fence operates its own fleet of fully equipped vehicles, and employs well-trained, professional fence installers. City Fence management and supervisory personnel carefully monitor every job. This close attention to detail helps to assure your complete satisfaction.

Quality materials, quality craftsmanship and competitive prices backed by a lifetime limited warranty on pressure treated lumber - that's City Fence. From beginning to end, from picket to post City Fence is your headquarters for all your fencing needs.

City Fence is a member of the Better Business Bureau of WNY, The American Fence Association, the Buffalo Executives Association and the Home Improvement Council of WNY.
