BUILT BETTER FROM THE BEGINNING

Every Catalyst fence starts with the highest quality raw materials and proprietary formulations.

Thoughtfully engineered with exclusive innovations to deliver unparalleled strength, enduring beauty and flawless performance. Rigorously tested to exceed industry standards. Made to withstand the effects of weather and daily wear and tear. And backed by a transferable limited lifetime warranty.

Highest Quality Materials | Exclusive Innovations | Worry-Free Warranty

OUR EXCLUSIVE INNOVATIONS

Catalyst fences are built with numerous exclusive and patented technologies that enable our fences to significantly outperform competitors, for beauty and performance that stands up to the elements.

STAYSTRAIGHT[®] STRUCTURAL INTEGRITY

Patented material composition safeguards vinyl fences and gates against bending and sagging in all weather conditions.

SOLARGUARD[®] FADE RESISTANCE

Superior protection against color degradation keeps colors bold and rich over time, even in harsh climates.

TIMBERGRAIN[™] WOODGRAIN TEXTURE

The look of wood you love in long-lasting, low-maintenance vinyl. No splinters, rot, cracks, staining or peeling. Period.

SIMTEK[®] MOLDED PANEL TECHNOLOGY

The genuine look of stone or wood in commercial quality steel-reinforced polyethylene that reduces noise, buffers high winds, and offers easy graffiti clean-up.

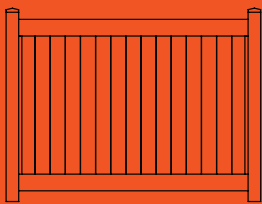

VINYL & MOLDDED FENCES

The perfect choice for those who want personalized style, incredible durability and minimal maintenance.

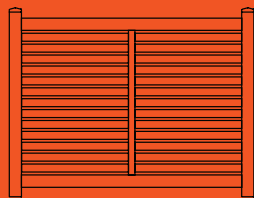

Catalyst vinyl and molded fences come in the styles and colors you need to perfectly complement your home's exterior. Always built to last with the highest quality materials and exclusive innovations no other brand can match.

Low-Maintenance | Impact Resistant | Made in USA | Limited Lifetime Warranty
