The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Direct Water Cremation \$2,915

This offering includes everything needed for water cremation and fulfilling legal documents.

Our charge for direct water cremation (without ceremony) includes the basic services of the funeral director and staff, transfer of remains to the funeral home within 50 miles, use of climate-controlled resting space, preparation of the body for water cremation, standard shroud, standard urn, and the water cremation process. This *does not* include additional permit fees or certified copies of a death certificate, which we will obtain on your behalf.

Basic Professional Services of Funeral Director and Staff \$1,050

Included in Direct Water Cremation

This fee enables us to provide licensed, professional personnel 24 hours a day to oversee all the details necessary for water cremation arrangements. This may include the arrangement consultation, administration services, filing of the death certificate, and all incidentals relating to meeting the legal requirements for final disposition.
