Get to know your school-based therapist

## Faith Briscoe, MSW, LISW

---

Meet Child and Adolescent Behavioral Health's Faith Briscoe, who is the school-based therapist at Lake Middle/High School.

Faith, who graduated from Central Christian High School went on to earn her bachelor's degree in social work and minored in criminal justice at Bluffton University and earned her master's degree in social work at the University of Akron.

Faith said, the best part of her job, "working with clients to achieve their goals. Seeing clients make positive changes that can ultimately impact their future."

**Hobbies:** Reading, spending time with my family playing games or outside

**Favorite book:** *The Women* by Kristin Hannah

**Favorite movies:** *The Fantastic Mr. Fox*

---

Child and Adolescent Behavioral Health's (C&A's) school-based consultation services include behavioral health screening and referral, crisis intervention, student social/emotional skill development and behavioral health and wellness education, community linkage and referrals, parent/guardian engagement/education, CARE team meetings and collaboration with school staff. When indicated, students may receive formal diagnostic and treatment services, provided at the school, by the school-based therapist.

- Students are referred to counseling by school staff and CARE teams to screen for mental health or substance issues
- Parents are asked to be engaged in the process
- C&A will assist with linking families to community resources as needed.
- C&A's clinical staff collaborates closely with school staff to enhance a supportive social/emotional school environment
