

Get to know your school-based therapist

Hilary Sircus, MS

Meet Child and Adolescent Behavioral Health's Hilary Sircus, who is the school-based therapist at Taft Elementary School.

Hilary, who graduated from Groves High School in Birmingham, MI., went on to earn her bachelor's degree in psychology from Michigan State University. She earned her master's degree in clinical psychology from Nova Southeastern University in Davie, Fla. She is a pre-doctoral intern.

Hilary said, the best part of her job, "is it is rewarding to see the client's growth and learning new things from them."

Hobbies: Baking, painting my nails, going on walks with my dog and spending time with family and friends.

Favorite book: *Are You There God? It's Me, Margaret*

Favorite movies: *The Wizard of Oz*

Child and Adolescent Behavioral Health's (C&A's) school-based consultation services include behavioral health screening and referral, crisis intervention, student social/emotional skill development and behavioral health and wellness education, community linkage and referrals, parent/guardian engagement/education, CARE team meetings and collaboration with school staff. When indicated, students may receive formal diagnostic and treatment services, provided at the school, by the school-based therapist.

- Students are referred to counseling by school staff and CARE teams to screen for mental health or substance issues
- Parents are asked to be engaged in the process
- C&A will assist with linking families to community resources as needed.
- C&A's clinical staff collaborates closely with school staff to enhance a supportive social/emotional school environment
