

PADDLES WITH PURPOSE

TWO ORGANIZATIONS.
ONE MISSION. STRONGER KIDS.

*Benefiting Child and Adolescent Behavioral Health
and The Boys & Girls Club of Massillon*

Child and Adolescent Behavioral Health and the Boys & Girls Club of Massillon are excited to introduce Paddles with Purpose, a fun, family-friendly pickleball event benefiting local youth. Proceeds support after-school programming, youth development, and mental health services that help children thrive.

We invite you to be part of the winning team by helping provide critical programs and services for local youth by being a sponsor, donor or participant.

Together, our organizations serve thousands of Stark County children each year through mental health services, after-school programming, mentoring, and youth development opportunities.

We hope you'll join us for the inaugural Paddles with Purpose and help make a lasting impact for local youth. Thank you for considering a sponsorship and for investing in the children and families of our community.

This event was created to bring the community together around two organizations that share a commitment to helping young people succeed.
