

Adult Faith Formation Minutes of 6/30/2026 meeting

Attending- Deacon Tony Abts, Sharon Brabson, Lori Carlson, Jan Liss, Angela Packard

Opening- Reflection and prayer led by Jan

Eucharistic Adoration- Tuesday July 21, 10-11:30am Fish Creek site – A Eucharistic Adoration for Peace, Unity and our Country. Come pray for a few minutes or an hour with Benediction at 11:00am. Angela spoke with Fr. Pastors, who is fine with the event and with advertising in the coming events of the Pulse. For promo, Sharon will place bulletin blurbs, Jan will place mass announcements and at the Pulse.

Morning of Reflection- Tuesday, Sept. 1, 9-12pm Sister Bay site. Sharon and Lee are planning and will reach out to the committee as needed. Discussed considering a name change for the event.

Parish website- Deacon Tony explained the process and status of the parish web redesign. All agreed commission chairs should review the website prior to its completion. It was discussed that the Pastoral Council should address forming a marketing committee for the parish.

Entrust Alumni- Next gathering Monday, Sept. 14, 1:30-3:30 Sister Bay site. Speaker will be Becky Nash on “Spirituality on the Ice Age Trail”. All parishioners are invited. Will consider promoting in the Pulse. Will allow for time to discuss Alumni successes and challenges and for refreshments.

Deacon updated us on the Diocese plans for future Entrust; he would like to continue having one Entrust yearly.

The committee discussed fostering spiritual maturity within the parish. While distinct from Entrust, this shares the same goal: deepening parishioners’ experience of Jesus so they naturally desire to share Him with others.

Prayer Partner revival- Discussed reviving a prayer partner initiative. Remembering that participation was a direct invitation from Fr Dave, decided that Sharon will invite Fr. Pastors to a summer FF meeting to discuss him possibly leading this effort. Purchasing books for partners to use should be considered. One book to review is “Agustine of Hippo” by Peter Brown.

Ellison Bay parade- Only 4 participants but feel it is a simple enough effort that prompts positive comments, so we should continue.

Recruiting New Members- Have some possibilities, will continue.

Recruiting New Members- Each of us will invite one person to join our committee.

Advent small group planning- All will review possible studies to share at our August meeting.
