Re: National Service Forum Sponsorship Project

The ISCCSO Inc is offering 5 funded sponsorships (worth \$175* each) for the AA National Services Forum being held this long weekend in October 2026.

Groups are invited to nominate any AA member of their group who

- ° has a sponsor
 - ° had done the twelve steps, and
 - ° has a minimum of twelve months sobriety (*and drug free - prescribed drugs exempt*)
 - ° is keen to learn more about AA's broader service opportunities
 - ° can get to Canberra and accommodate themselves,
- along with a paragraph or two, of why they'd like to attend.

Groups may provide some words of support for the member or members they nominate

If we have more applications than the number of sponsorships being offered, the Committee will consider the nomination and group's words of support and/or draws nominations from a hat!. The Committee's decision will be final.

5 tickets @ \$175 equals a budget of \$875

NB The full ticket includes Saturday night dinner @ \$60

If the member wants to put that \$60 towards fuel/ accommodate I recommend that we can approve that - with some sort of receipt.

Details about "How groups can to apply" is posted on the CSO website under Local News

Application box — top right of page (or scroll down if on Mobile phone)
