

Office Sub-Committee's Statistics Report for Annual General Meeting - 17 August 2026

The Illawarra and South Coast Central Service Office Inc. Sub-Committee was established in December 2025 and has held two further meetings this year.

The Relocation to Coniston, changes to our website and our difficulties with the phone system have certainly impacted our Statistics.

Going forward though we have a good baseline record of statistics by which to measure our PIPA work.

We are still looking for help with the website — should any AA member be interested in doing some volunteer work with us for that.
