Greetings!

Believe it or not, there is more to Nativity than what you see on Sunday morning. During the week we host yoga, bible study, weekday services, dance class, NA groups and Green Street Market! These are just a few of the ways we are living out God's call in our community.

All of this ministry is made possible by people who share their time, talents, and financial resources. Our gifts become worship and welcome, care and compassion, learning and service. Together, they make possible something larger than any one of us could accomplish alone.

Giving is always a choice. And yet, as followers of Jesus, it is also a response to all that we have first received. We give out of gratitude, out of faith, and out of a desire to participate in the good work God is doing in the world. Generosity is one way we live that response. What matters most is beginning with intention.

As a congregation, we are entering a season of discernment about our financial commitments for the coming year. Stewardship is a spiritual discipline—one that shapes our faith and deepens our trust in God. Generosity is something we learn by practicing it, and there is real joy in discovering what becomes possible when we share.

I hope you will join us on October 11, 18, and 26 for a special formation class to discuss the Spiritual Practice of stewardship. Thank you for being part of this community and the ministry we share. Wherever you are along your stewardship journey, you are invited to take the next step with us.
