The Becoming One Body Campaign is off to an exciting start! On January 12th we had a celebration to kick off our campaign. It was a fun filled day at Nativity with baptisms, the Annual Parish Meeting, and a big party! Thank you to everyone who helped make it such a fun day!

CAMPAIGN KICKOFF

STEWARDSHIP 2025

Our church has been a source of stability, comfort and joy for generations. We all benefit from the legacy of those who have gone before us and we share in all that Nativity offers us day in and day out. Our Becoming One Body capital campaign is a truly significant way for us to demonstrate our commitment to maintaining and improving the iconic properties we all enjoy.

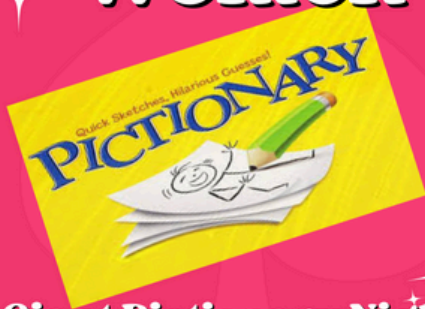

While planning and preparing for the future is very important, we cannot neglect the essential annual pledge campaign. Your generous annual pledge sustains the ministries and daily work of our church, and serves as clear indication of your faithful gratitude for all that God has given. On behalf of the Stewardship Committee, I want to thank you for all you do to help Nativity thrive. Thanks be to God.

“We are so excited to welcome Victoria Hinton as the new Executive Director of Second Mile Development. Vicky brings with her a wealth of knowledge and experience from her previous work at non-profit and ministry organizations. We know that she will continue to build upon the foundation of relationship-based ministry that Second Mile has been known for over the past 38 years.”

Adult Sunday School

Book Class (Joffrion Library) - The Book Class will read *Living a Life that Matters* by Harold Kushner. Kushner tells us that the path to a truly successful and significant life is through friendship, through family, and through acts of generosity and self-sacrifice. He describes how, in affecting the life of even one person in a positive way, we make a difference in the world and prove that we do in fact matter.

Zimmerman Class(Banister Room)

Choose Your Own Adventure Bible Study Class (second floor Joffrion) - No preparation is required for this class led by Mother Rosie.

Creation Care Class (Welcome Center) - "Love God; Love God's World". This follows an Episcopal Church curriculum that has a similar structure to *Sacred Ground* and includes films, readings and discussion focused on creation care and eco-justice.

Adult Confirmation Class (Bibb Chapel) - This class is open to everyone who wants to learn more about the Episcopal Church. **YOU DO NOT HAVE TO BE SEEKING CONFIRMATION TO ATTEND!** We are talking about the basics of the Episcopal tradition, including church history, the Book of Common Prayer, theology, and why we do what we do in worship. If you are thinking about being baptized, confirmed, received into the Episcopal Church, or formally reaffirming your baptismal vows or if you want to learn more about the Episcopal Church, please join us. Questions? Contact Mother Melissa.

NATIVITY BAZAAR

With great excitement and pride we are pleased to announce that the Nativity Bazaar Luncheon raised \$12,837.55 for Lincoln Village! This would not have been possible without the countless volunteers that participated in the resurgence of this historic event. Thank you to everyone who purchased a plate, took a chance on the raffle, worked in the kitchen, delivered meals to businesses and those of you who shared your Bazaar trade secrets! It was an honor to play a small role in something so close to the heart of Nativity. We hope to see you all again next year!

STEWARDSHIP OF CREATION

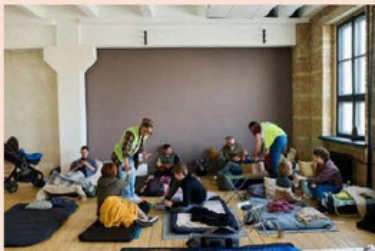

Giving is a Joy

By Terry Clevenger on behalf of the Creation Care Ministry

Each new year our Creation Care ministry discusses topics provided by a Diocesan study guide in the Welcome Center (everyone is welcome to attend). Themes include God's love for Creation, keeping our covenant for the Earth, the wise use of our natural gifts, restore and repair when and where we can. God calls us to be his earthly stewards for the Earth, his gift to us. Biblical stewardship means being a caretaker of God's kingdom. God's kingdom includes everything and everyone. So, we are accountable for all, especially humankind.

Our faith tells us that to be a steward, one must give of themselves. At the heart of Christianity is giving. Giving begins with a cause, entails a sacrifice (time, effort, material). Giving leads to a better life-both for the giver and receiver. Ultimately, giving produces joy in ourselves and spreads to others.

Each season of Epiphany marks a revelation for us of our Lord, a time that promotes us to take a moment for understanding and awareness within our world. I recently stepped outside my comfort zone for a moment to encounter the world through one of the outreach ministries Nativity supports

through the Warming Center. I just dropped by to provide some material which had been asked for, staying a few minutes to talk with the helpers, many of whom were Nativity members. Even these few minutes filled me with exhilaration and gladness, in short, a joy in encountering our own epiphany by the concern, sacrifice and assistance these helpers were giving their underprivileged clients. I felt I could sense a similar aura within the faces of the helpers, as well.

The giving of time, energy, resources, concern for others, lending a helpful hand reflects God's character. The joy of such giving transfers God's love to others with the same loving heart that God, through Jesus, has shown us by his ministry. Jesus did not come to us to be served but to serve. And what greater cause is there than to serve those in need by providing a place of comfort. Our faith teaches us that when we give of ourselves our hearts are changed, and God's love shows through for all.

By giving, we reflect God's character and lets us continue the Lord's ministry that he exemplified while on this earth. It keeps us mindful of the needs of others, gives us a good heart that is filled with overflowing joy. When we give of ourselves our hearts are changed. And the heart of our Christ shows through reflecting God's love.
