DIRECTOR'S MESSAGE

Hello Antioch!

It's only been a couple short months since joining the remarkable team working to serve our community, and I've never felt more at home. Maybe it's because Antioch people are "my people" or maybe it's because so many of you share the excitement and passion for our Village that I have. Either way, I could not imagine a warmer welcome. I am eternally grateful for your well-wishes, congratulations, and enthusiasm!

The Parks and Recreation Department is on an upward trajectory, and I'm here to officially tell you: buckle up, it's going to be a great ride! Our team is learning and growing, and we are committed to excellence. With the mission of improving the quality of life for residents, we refuse to deliver anything less than amazing, brilliant, superb.

My personal belief is that Parks and Recreation services should offer an experience, an opportunity to create lasting memories with your family and friends. Your experience may be at one of the 20+ parks in town. Or it might be watching your child master their skills in a program designed with intention. It could be at one of the events we have lined up for you this summer. Whatever you choose, my goal is to make it awesome!

There are several initiatives the Parks and Recreation Department has identified as a priority in the coming months...

- The day camp team is gearing up for more campers! We have moved camp locations to accommodate more kids per day and are hiring additional staff in anticipation of growth!
- The Aqua Center team is preparing for a summer of swim lessons, water aerobics, and fun in the sun! Register now for lessons, get your season pass or book your private rental today!
- A larger project in the pipeline is the renovation of Centennial Park. This beloved park will see some great improvements in the coming year. "The Wooden Park" as my own children lovingly call it, will be reimagined into a destination for all ages. Baseball, pickleball, tennis, active play, walking paths, and serene beauty are headed to Anita Avenue!

It's a great time to be in the Village of Antioch! With so many opportunities, just outside your door, I encourage you to take advantage of all the amenities, right here, at home.
