Director's Message

It's hard to believe school is back in session and summer is over, but WOW, did we have fun or what? The summer brought us so many experiences and memories that will last a lifetime. From sunny days at the Aqua Center to major rock concerts at the bandshell, we did it all!

As I look back on Summer 2025, I see so much hard work and dedication that went into every program, event and experience. Our day camp staff gave our campers the summer of their dreams. Our Aqua Center staff kept the pool in tip top shape. Our volunteers really showed up and made a huge impact. Public Works worked so hard this summer to keep our parks looking beautiful and our events running smoothly. I am truly grateful for the dedicated team we have!

I'm happy to announce the hiring of our Special Events Supervisor, Kristen Fielder who brings a wealth of knowledge to our team. Her detailed approach is bringing our community events to the next level! Additionally, Grace Ford has been promoted to Recreation Supervisor! Grace will now oversee all programming outside of special events. This includes summer day camp, schools' day off activities, parent/tot programs, sports and fitness, youth activities, and more! As we continue to expand our programs and services, I invite you to share what you'd like to see in our upcoming program guides.

The Fall and Winter season has a lot in store for you. We are thrilled to be offering a new lineup of programs for kids who need supervision when school is not in session. Check out page 16 for details. We also have more than 20 events lined up!!! Try out something new at our Punt, Pass, Kick competition. Or drop off your kids for supervised fun during Parents Night Out, and get some holiday shopping done!

Behind the scenes we will be working on the redevelopment of Centennial Park; we are scheduled to break ground in Spring 2026 and open the new park in Fall. This season our team is evaluating and refining our processes and procedures to make your experience with our department easy, seamless, and consistent. On top of that, we have already started planning for Summer 2026!

Thank you for coming out to play with Antioch Parks & Recreation! We are here year-round to bring the fun to Antioch, and we couldn't do it without you!

Warmly,

Katie Kotloski, CPRP
Director of Parks & Recreation

Registration Policies

Commitment to Quality

If you're not satisfied with a program, service or instructor, let us know. You may retake the class transfer to another class, or receive a pro-rated credit on your account. Commitment to Quality concerns must be reported within the duration of the program/service to be eligible for a retake, transfer, or credit.

Refunds

All refunds are issued as a credit on the household account for use toward future registration. In the rare circumstance a "cash" refund is issued, it will be processed as a check and mailed to the address on file regardless of payment method. Refund checks take 2-4 weeks to process and mail. Household credits will be automatically issued when a program is cancelled by the Parks & Recreation Department unless a request is made for a check to be processed.

Withdrawals & Transfers

Anyone wishing to withdraw from a program will receive a credit on their account if the request to withdraw is received at least 7 days prior to the start of the program. Transfers will be granted when possible and only if transferring does not cause a program to cancel.

Financial Assistance

Residents of the Village of Antioch who apply for and meet established requirements may be eligible for financial assistance to cover program fees. Contact the Parks & Recreation Department for additional information.

Requests & Accommodations

Participants are encouraged to inform us of any special requests to make your experience more enjoyable or any reasonable accommodations needed to participate successfully. While we cannot accommodate all requests, our team will do our best to meet your needs.

Medical Conditions & Medication

If you or your minor child have any medical conditions that may affect your participation in the program or event, you are encouraged to inform us at registration; this includes all allergies. Additionally, if your minor child requires medication during program hours, additional forms must be completed.

Code of Conduct

Participants, parents/guardians, and spectators at Parks & Recreation Department programs and events are expected to exhibit appropriate behavior at all times. This includes being respectful to all people, equipment and facilities and cooperative, positive participation. Contact our office for the full Code of Conduct.

Disciplinary Procedures

Parks & Recreation Department staff are trained in basic behavior management and appropriate discipline procedures. Disciplinary action is typically progressive and begins with positive reinforcement and redirection.

Are You Covered?

The Parks & Recreation Department does not carry medical or accident insurance for participants or volunteers. Participating in programs and events requires a signed waiver by the participant or their legal guardian. Certain high-risk activities may require additional waivers.

Photography & Video

The Village of Antioch takes pictures and video of participants in classes, at events, and in our parks. By signing the general waiver required for participation, you are granting permission to use these photos and videos in Village publications including website and social media outlets.
