Director's Message

Hello, Antioch!

What an incredible summer! From the Everclear concert and record-setting crowds at our It's Thursday Concert Series to busy parks, pool days, and summer camp adventures, it was wonderful to see our community come together all season long.

The Antioch Aqua Center had a great season with awesome staff who kept us cool all summer long! Summer Day Camp welcomed more than 300 children for nearly 12 weeks of fun, friendships, and field trips. Thank you to our families, staff, volunteers, and everyone who joined us for making this summer so memorable!

The summer may be ending, but the fun doesn't stop there! Our Fall/Winter/Spring Program Guide has activities, classes, and events for everyone! Check out "Kids In The Kitchen" for scratch cooking for 5-12-year-olds; or sign them up for our "Parents Night Out" program, now offered EVERY MONTH! Looking to stay active? Youth sports classes and adult pickleball are just a few clicks away!

And don't forget our holiday events! Halloween fanatics will be excited about the return of Harvest Fest, Downtown Ghost Tours, and the Halloween Home Decorating Contest. Santa returns to the Sawmill, will join families for breakfast, or even at your house! Plus our annual Christmas Parade and Tree Lighting is one of my personal favorites, and the reason I lovingly call Antioch, "Hallmark, USA."

After the new year we look forward to the Hot Chocolate Walk, Princess Dance, Bowling with your Son, Shamrock Shuffle 5K and Shamrock Jam, Easter Parade and Egg Hunts too! Did I mention the Wine Walks? Phew... this is going to be a fun one!

It's hard to believe there is more to share, but there is! The Parks and Recreation Department has some exciting park improvements underway:

- The grand opening of Centennial Park is anticipated in early spring 2027.
- Repairs to the Hiram Buttrick Sawmill waterwheel will begin soon, helping preserve this special landmark for years to come.
- The Village Board also recently approved the replacement of the playground at Osmond Park, 579 Valleyview Court. This updated play space will serve families for years to come and provide another great reason to get outside and enjoy Antioch's parks.

Thank you for making Antioch such a great place to live, work, and play. I look forward to seeing you out and about!

Katie Kotloski, CPRP
Director of Parks & Recreation

Antioch Township Senior Services offers a variety of programs exclusively for ages 55 and over. Our programs are held at the Antioch Township Center, 1275 Main Street, which serves the needs and interests of Antioch and area residents. Our goal is to enhance the quality of life for senior citizens in our community. We offer a wide variety of programs including: card/board games, health/wellness options, silver and gold singers, trips and special events, and MORE! These programs and events have been created with feedback and input from the community. Our goal is to keep programs affordable, therefore we require a calendar year membership.

Resident Fee: \$25 per person or \$40 per family*

Non-resident Fee: \$50 per person or \$90 per family*

*Family is considered individuals living at the same address.

If a membership fee creates a financial burden, please call the Township at
(847) 395-3378

Membership dollars are an important part of funding that allows us to offer a variety of low cost or no cost programs. The membership process must be done in-person at the Township Center - there is no on-line option at this time. We accept cash or checks.

Our Lending Closet offers medical equipment such as shower chairs, canes, walkers, crutches, raised toilet seats and wheelchairs to Antioch seniors.

For more information about Senior Services, please call Renee Mehring at (847) 395-3378 or rmehring@antiochtownshipil.gov

Registration Policies

Commitment to Quality

If you're not satisfied with a program, service or instructor, let us know. You may retake the class transfer to another class, or receive a pro-rated credit on your account. Commitment to Quality concerns must be reported within the duration of the program/service to be eligible for a retake, transfer, or credit.

Refunds

All refunds are issued as a credit on the household account for use toward future registration. In the rare circumstance a "cash" refund is issued, it will be processed as a check and mailed to the address on file regardless of payment method. Refund checks take 2-4 weeks to process and mail. Household credits will be automatically issued when a program is cancelled by the Parks & Recreation Department unless a request is made for a check to be processed.

Withdrawals & Transfers

Anyone wishing to withdraw from a program will receive a credit on their account if the request to withdraw is received at least 7 days prior to the start of the program. Transfers will be granted when possible and only if transferring does not cause a program to cancel.

Financial Assistance

Residents of the Village of Antioch who apply for and meet established requirements may be eligible for financial assistance to cover program fees. Contact the Parks & Recreation Department for additional information.

Requests & Accommodations

Participants are encouraged to inform us of any special requests to make your experience more enjoyable or any reasonable accommodations needed to participate successfully. While we cannot accommodate all requests, our team will do our best to meet your needs.

Medical Conditions & Medication

If you or your minor child have any medical conditions that may affect your participation in the program or event, you are encouraged to inform us at registration; this includes all allergies. Additionally, if your minor child requires medication during program hours, additional forms must be completed.

Code of Conduct

Participants, parents/guardians, and spectators at Parks & Recreation Department programs and events are expected to exhibit appropriate behavior at all times. This includes being respectful to all people, equipment and facilities and cooperative, positive participation. Contact our office for the full Code of Conduct.

Disciplinary Procedures

Parks & Recreation Department staff are trained in basic behavior management and appropriate discipline procedures. Disciplinary action is typically progressive and begins with positive reinforcement and redirection.

Are You Covered?

The Parks & Recreation Department does not carry medical or accident insurance for participants or volunteers. Participating in programs and events requires a signed waiver by the participant or their legal guardian. Certain high-risk activities may require additional waivers.

Photography & Video

The Village of Antioch takes pictures and video of participants in classes, at events, and in our parks. By signing the general waiver required for participation, you are granting permission to use these photos and videos in Village publications including website and social media outlets. All photos and videos are the property of the Village of Antioch.
