

St. Elizabeth Ann Seton Families –

We have exciting news to share! The school has launched a new app that combines mobile access to FACTS Family Portal with other information parents need most often. With our new FACTS Family Custom app, your student's grades, attendance, and more are right at your fingertips!

Sold already?

Just go to Apple's App Store or the Google Play Store – depending on your device type – and search for our school. You can also open this message on your phone or tablet and click the following link: <https://a3a.me/stelizabethannsetoncatholicschool-6>. Be sure to allow notifications the first time you open the app – we'll use that feature in the future for quick messages!

You'll need FACTS Family Portal login credentials to open some of the app's features. For example, if you open the app and click on Gradebook, you'll see a message letting you know that the app wants to use Renweb to sign in. Click continue and enter the same login credentials you use to open FACTS Family Portal on a browser. You'll then be able to open all app features and you'll stay logged in for 30 days. (If you need help logging in, just click on the 'How to Log In' feature right in the app. Don't have login credentials? Reach out to the office to get started.)

This app will give our families better access to the information they need most and we're excited to offer it! Questions? Please contact Amanda Pierce at accounting@stjohn-catholic.org or 405-705-2130.
