About VITA NOVA

Vita Nova empowers young adults (ages 18–25) who are experiencing homelessness to reclaim their futures by providing safe housing, transformative education, career readiness, and a nurturing community.

About MALLETS & MARTINIS

Mallets & Martinis is Palm Beach County's annual signature fundraising event to support young adults experiencing homelessness. This inspiring evening fuels Vita Nova's mission to ensure every young adult has a safe home and the tools to thrive independently.

Each year, nearly 400 guests gather—including community and business leaders, charitable foundations, corporate partners, philanthropists, elected officials, and dedicated volunteers—all united in the fight to end youth homelessness.

The evening features dinner under the palms, croquet, signature martinis, and live music. Guests are encouraged to don their chic whites, bid on exclusive live auction items, and dance the night away.

Your sponsorship directly supports Vita Nova's Housing Programs and Independent Living Services, providing vital resources and stability for young adults in need. Supporting Mallets & Martinis means investing in brighter futures—and giving these young adults a true "New Life."
