THE NEIL DIAMOND STORY– A BEAUTIFUL NOISE

Wednesday, November 18, 2026 Cost Per Person: $192

Dear Way To Go Traveler,

If you had teenagers at home in the 1970's – you were probably listening to a lot of Neil Diamond. The two songs that come to mind are Cherry, Cherry, Song Sung Blue and many more. The one song that everyone sings along with today is Sweet Caroline – sort of a national anthem to a local party time. Bingeman's Dinner Theater is located outside Kitchener, Ontario and usually 300-400 people are there for the performance with 8 serving lines for the buffet.
