

The Grapevine

Then he said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest." -Matthew 9:37-38.

As disciples of Jesus our mission is to bring in the harvest in our generation. A person is reached for the harvest when they believe the Gospel and make Jesus the Lord of their life. We all have many day-to-day tasks in our lives and it is easy to lose sight of God's mission for our lives. We need to be reminded that this is why we are here on this earth--to do our part in reaching our generation for Christ. But how do we do this? Our text tells us. We pray. We pray for the harvest. We pray that God's people will go where they need to go to tell others the good news of Jesus. We pray God will open people's hearts to receive it. We pray asking God to be at work. The other thing we do is realize that it is ultimately His harvest. We do our part as laborers, but God ultimately is the one that brings the harvest in. 1 Corinthians 3:9 says, For we are God's fellow workers. We have confidence that God is working in the hearts of people around us. It is His harvest.
