

Message from Principal

Dear Parents,

From Term 3 onwards, our newsletter will focus on centre-wide updates. Individual class updates will continue to be shared monthly by teachers through the Parents App.

We warmly invite all parents to take part in our curricular activities as your involvement strengthens the partnership between families and educators, builds our children's confidence, and supports their social and emotional development.

We look forward to your active participation and continued support!

Shabana Azmi

Christmas Day

Infant - Flower Soup

Our little ones had a wonderful time exploring nature through our *Flower Soup* activity! Using their hands, they scooped and picked up colourful flowers and petals floating on water. This hands-on nature experience sparked their curiosity while supporting their fine motor development.

Toddler - Flower Hunting

Our toddlers went on an exciting flower hunt around the neighbourhood. As they explored, they spotted and collected flowers of different colours, shapes, and sizes. They brought their discoveries back to class, where they carefully pasted them onto their own 'flower baskets'. The children enjoyed admiring their colourful creations and were keen to use the flowers in more fun experiments together!

Nursery 1 - Nature Mobile

Our Nursery 1A children had a wonderful time exploring nature as they created their very own nature mobiles! They excitedly picked natural materials such as twigs, dried leaves and fresh flowers before using these materials and their creativity to bring their mobiles to life.

Nursery 2 - Flower Suncatcher

Our N2 children explored a variety of natural elements to create their own flower suncatchers. They arranged flower petals, leaves, and small stems on contact paper, thoughtfully choosing where to place each element. Through this activity, the children developed an awareness of their natural environment and learnt to appreciate the beauty of nature. They also expressed their creativity by transforming natural materials into unique works of art.

Kindergarten 1 - Flowers Around Me

During their nature walk, our K1 children used their senses to explore a nearby garden. They were excited to use cameras to take photos of the flowers and plants they saw. Through this activity, the children developed their observation skills and curiosity. They also learnt to appreciate nature and became more aware of their neighbourhood. It was a meaningful experience that allowed them to learn through exploration and discovery.

Kindergarten 2 - The Reason For a Flower

As part of their nature walk, our K2 children used cameras as a technological tool to photograph the elements of nature they discovered around them. They were encouraged to look closely at the different colours, shapes, and patterns found in their surroundings, and to take photos of interesting leaves, flowers, plants, and other natural treasures that caught their attention.

Warisan Budaya

Murid-murid Asuhan telah berpeluang meneroka seni ukiran kayu dengan menggunakan kertas dan krayon. Mereka dapat menghasilkan pelbagai corak dan garisan mengikut kreativiti masing-masing. Aktiviti ini memberi pendedahan awal kepada mereka tentang seni tradisional sambil menggalakkan kepentingan memelihara warisan budaya.

Murid-murid Tajaka 1B mempelajari tentang teknik ukiran dan diberi peluang untuk meneliti tekstur permukaan rehal yang mempunyai corak ukiran. Mereka kemudian mencuba sebuah aktiviti yang membantu mereka meningkatkan deria sentuhan, kreativiti, koordinasi mata dan tangan serta kemahiran motor halus mereka. Untuk aktiviti ini, kanak-kanak diminta meletakkan kertas putih di atas permukaan rehal, kemudian menggosok krayon di atas kertas untuk menghasilkan kesan tekstur dan corak ukiran rehal.

Murid-murid Tajaka 2 diperkenalkan kepada seni anyaman menerusi eksplorasi barangan tradisional seperti tikar mengkuang dan tudung saji. Mereka mengamati tekstur barangan tersebut sebelum mencuba aktiviti menganyam alas cawan sendiri. Pengalaman ini telah memupuk kesedaran mereka terhadap warisan budaya dan memantapkan kemahiran motor halus mereka.

Murid-murid diperkenalkan kepada sejarah dan kegunaan keris dalam masyarakat Melayu, khususnya sebagai sebahagian daripada busana dan adat istiadat. Menerusi eksplorasi ini, mereka dapat mengenali struktur keris serta menghargai keindahan seni ukirannya. Bagi mengukuhkan kefahaman, murid-murid diberi templat kraf untuk menghasilkan replika keris mengikut kreativiti masing-masing.

Murid-murid diperkenalkan kepada keunikan rumah kampung. Mereka sangat kagum apabila mempelajari sejarah kehidupan masyarakat Singapura pada masa lalu, terutamanya apabila diberitahu bahawa lokasi sekolah mereka berdekatan dengan Kampong Lorong Buangkok. Untuk mendalami topik ini, murid-murid bekerjasama membina model kampung menggunakan bahan terpakai seperti kotak dan batang aiskrim. Aktiviti ini bukan sahaja mengasah kreativiti mereka, malah telah memupuk semangat kerjasama dan kerja berpasukan antara satu sama lain.

Wenhua Yichan

活动名称：探索青花瓷

活动中，孩子们走进青花瓷的蓝白世界，感受中华传统文化之美。老师先引导幼儿欣赏青花瓷独特的蓝白纹样与典雅造型，再提供安全的青花瓷茶具，带领幼儿轻柔操作、有序分茶、礼貌品茶，在仪式感中学习礼仪、感知茶具的实用之美。

创意环节，幼儿运用蓝白轻粘土，通过揉、压、捏、贴等手法，亲手制作青花瓷碗盘，自主设计简单纹样，体验创作乐趣。活动将文化感知、生活实践与艺术创作融合，让幼儿在动手体验中加深对传统工艺的认识，萌发文化自豪感。

活动名称：小小青花瓷·古韵润童心

活动以青花瓷文化为核心，带领幼儿邂逅传统工艺之美。老师先展示青花瓷瓶，引导幼儿观察蓝白相映的经典配色与优美纹样，讲解其作为文化遗产的独特价值。品茶环节，幼儿轻柔取用安全青花瓷茶具，有序斟茶、礼貌品饮，在仪式感中感受茶具雅致，学习交往礼仪。创意时刻，幼儿手持蓝色马克笔，在素白瓷瓶上自由勾勒缠枝、云纹等图案，一笔一画尽显童真创意。活动融合文化感知、生活体验与艺术创作，让幼儿在动手参与中认识青花瓷、爱上中华优秀传统文化。

活动名称：青蓝雅韵·童绘青花

活动以青花瓷文化遗产为主题，带领幼儿走进蓝白相间的传统美学世界。老师先展示青花瓷经典纹样与造型，讲解其历史文化价值，激发幼儿对传统工艺的兴趣。创作环节，幼儿手持蓝色马克笔，在素白瓷瓶与青花瓷平面上自由勾勒——缠枝、云纹、海浪等纹样随童心绽放，一笔一画感受青蓝之美，体验民间艺术的独特魅力。孩子们在动手描绘中认识青花特色，感受传统韵味，既锻炼手部精细动作与想象力，又加深对中华优秀传统文化的亲近感与认同感。

Racial Harmony & International Friendship Day

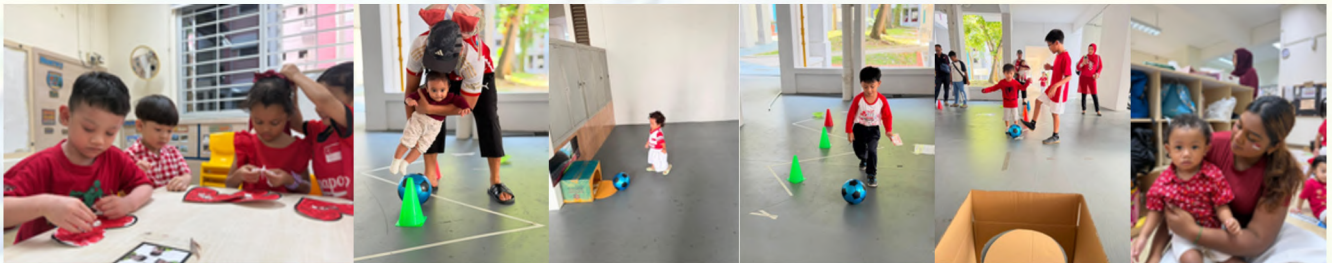

Racial Harmony and International Friendship Day was celebrated with the children having a fun-filled time exploring the diverse cultures around them. They were introduced to the Malay, Chinese, Thai and Filipino cultures through songs, traditional clothing, food, games and a variety of hands-on activities. The children had a wonderful time experiencing the different cultural experiences. Through this celebration, the children developed a greater appreciation for cultural diversity, while learning the importance of respect, friendship and harmony within our multicultural community.

National Day

Our children celebrated National Day with an exciting day filled with music, movement and meaningful experiences. They began the celebration with the National Anthem and Pledge, followed by the lively Singapore Workout 2026. Throughout the day, the children took part in age-appropriate crafts and activities inspired by Singapore. The celebration continued with a fun-filled National Day Carnival, where children and their families participated in interactive game stations featuring familiar Singapore landmarks and icons. Through these joyful experiences, the children celebrated our nation while developing a sense of belonging, togetherness and appreciation for Singapore.

Term 3 Disposition Day

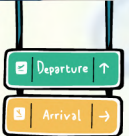

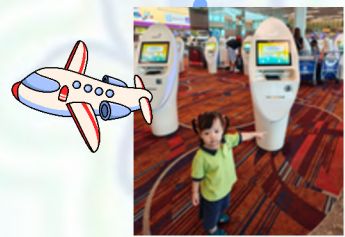

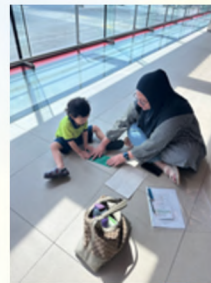

Our children took part in Term 3's Disposition Day, focusing on *Honesty Begins With Me* and the learning disposition of reflectiveness. Through age-appropriate games, art experiences, and hands-on activities, the children delved into what it means to be honest with themselves and with others. Our younger children expressed themselves creatively through activities such as the *Honesty Heart Card*, while the older children participated in interactive games and discussions that encouraged them to think about truthfulness and recalling their own experiences. Through these meaningful activities, the children were encouraged to reflect on their actions, communicate confidently, and develop positive values of honesty and respect.

Learning Journey: Changi Airport

Our Little Bloom children extended their learning about vehicles and transportation by venturing out of the classroom on a learning journey to Changi Airport. During their visit, the children toured the airport and observed aeroplanes taking off and landing on the tarmac. They also participated in fun activities such as *Airport Scavenger Hunt* and *Paper Plane Flying*. Through this outing, they were able to observe aeroplanes in a real-life setting while using their senses to explore their surroundings. It was an exciting experience that helped bring their learning about vehicles and transportation to life!

Learning Journey: Gardens by the Bay

As part of Term 3's study of plants and their uses, our children embarked on an exciting visit to the Flower Dome where they had a closer look at diverse plant species, including olive trees, orchids, bottle trees, and cacti. The children discovered the versatile roles plants play in everyday life — from providing food and skincare ingredients, to decorating our environment. They were also fascinated to learn how different plant materials can be used to produce sounds. Overall, this learning journey deepened the children's appreciation for nature and its practical value in our world.

Superkinder Camp

From Trail to Tales - our K1 and K2 children embarked on an overnight camp in search of a mythical creature - a dragon! Through their adventures, they learnt about kindness, teamwork, courage, resilience and friendship.

The children hiked the Mount Imbiah trail where they searched for clues, built courage forts and bonded with their peers overnight.

What an enriching experience it was! We can't wait for Superkinder Camp 2027!

Sportybots

During Sportybots in Term 3, our children at Kidz Meadow @ Hougang learnt a new sport - football, while the children at Kidz Meadow @ Buangkok Crescent tried their hand at tennis! They truly enjoyed the gross motor sessions as they got to master new skills such as kicking, balancing, batting, and at the same time, enhance their hand-eye and leg-eye coordination. Do look out for the termly report by the Sportybots coaches and let us know if your children enjoy their weekly lesson!

Parenting Article - Little Steps Towards Independence

As young children grow, they naturally begin to become more independent and eager to do things for themselves. By providing simple opportunities to make choices, take responsibility and practise everyday skills, parents can help children build confidence, independence and a positive sense of self.

Little Ways To Encourage Independence

- Let Them Try - Give your child time to practise simple self-help skills such as dressing, putting on shoes or packing away their belongings.
- Give Simple Responsibilities - Invite your child to help with age-appropriate tasks such as putting away toys, placing dirty clothes in the basket or helping to set the table.
- Keep Consistent Routines - Predictable daily routines help children understand what comes next and gradually complete familiar tasks more independently.

Healthy Recipe - Little Bites Charcuterie Board

Ingredients

- Cheese cubes or slices
- Crackers or pretzels
- Sliced fruits such as apples, oranges or berries
- Vegetables such as carrots, cucumber or tomatoes
- Hummus or your child's favourite dip

Instructions

Prepare

Wash and cut the fruits, vegetables, cheese and other ingredients into child-friendly portions.

Arrange

Place the dip in a small bowl, then arrange the different foods around it on a plate or serving board.

Enjoy!

Let your child choose, explore and enjoy a colourful variety of their favourite foods.

Vision

A First-Class Provider in
Early Childhood Care &
Education.

Mission

Provide a quality and
innovative programme that
nurtures children to be
socially responsible citizens,
active learners and thinkers.

Philosophy

We believe in providing an
engaging and positive
environment for the
children to develop their
potential to the fullest in all
aspects of development.

Values

C - Community & Parental
Involvement
A - Active Learners
R - Resourceful
E - Excellence
