

Message from Principal

Dear Parents,

We have now reached the final term of the year. I hope that both you and your child have had a meaningful and fulfilling journey with us since January.

On behalf of all the teachers and staff, I would like to extend our heartfelt appreciation to all parents for the thoughtful gifts and warm wishes we received on Teacher's Day. We are also deeply grateful to the parents who volunteered their time and effort to plan, prepare and execute the event. Your hard work, generosity and kind appreciation mean a great deal to all of us.

As we enter the final term, we look forward to your continued support as we work together to provide the children with a holistic and enriching learning experience. Most importantly, we look forward to creating many more wonderful memories together.

– Mdm Hidah

Healthy
Pre-School

Using their sense of touch, our infants had fun exploring flowers as they swirled the blooms in water.

Our Toddlers had a closer look at different types of flowers and later incorporated them in their beautiful flower art creations.

During their outdoor walk, our Nursery 1 children collected natural materials such as flowers, leaves and twigs to create their own wind chimes.

Our Nursery 2 children created self-portraits using natural materials such as flowers, leaves and twigs, and proudly shared their artwork with their friends.

It was an enlightening session for our K1s as they learnt about Singapore's national flower, the Vanda Miss Joaquim, and shared their observations and ideas about the beautiful flower with their friends.

As part of learning the importance of keeping their hands clean, our K2 children had fun trying out flower handwashing by adding flower petals to water and soap.

Tech Tools

Armed with cameras, our children managed to capture photos of a variety of flowers they discovered as they explored the neighbourhood.

They also had an opportunity to express their creativity by creating flowers using 3D pens in their chosen colours.

Warisan Budaya

Asuhan

Murid-murid peringkat Asuhan diperkenalkan kepada seni ukiran. Mereka meneliti corak ukiran yang diberi melalui teknik gosokan dengan menggunakan krayon dan kertas.

Tajaka 1

Murid-murid Tajaka 1 pula menekan doh mainan pada permukaan ukiran yang diberi supaya mereka dapat meneroka corak ukiran dengan lebih terperinci dan berkongsi apa yang dilihat dengan rakan-rakan mereka.

Tajaka 2

Sungguh gembira murid-murid Tajaka 2 apabila mereka berjaya menenun jalur kertas setelah mempelajari teknik tenunan. Syabas!

Tadika 1

Tadika 1 mempamerkan daya kreativiti mereka dengan menghiasi keris kertas dengan pelbagai warna dan corak. Kreatif sungguh!

Tadika 2

Murid-murid Tadika 2 mendalami seni bina rumah dengan menghasilkan rumah kampung secara berkumpulan menggunakan bahan-bahan kitar semula serta yang berunsur semula jadi.

Racial Harmony Day

During our Racial Harmony Day celebration, our children wore traditional outfits and delved into Malay, Chinese and Indian cultures. They participated actively in various traditional games such as 'congkak', 'bola tin' and Chinese chess. Through interactive booths, the children had an enjoyable time exploring a variety of traditional musical instruments and outfits from different racial groups.

National Day Celebration

Our Bloom children celebrated National Day by singing songs and learning about Singapore. The highlight of the celebration was our Sports Day, where parents and children came together for a fun-filled time. Our Bloom children participated enthusiastically, while their parents showed wonderful support and engagement throughout the event.

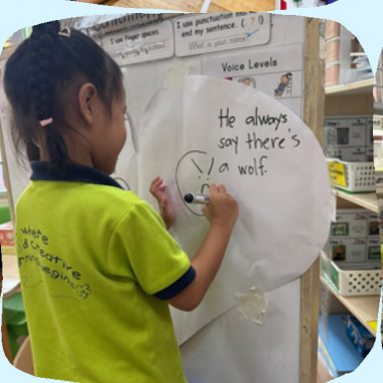

Little Bloom Field Trip

Our Little Bloom children celebrated National Day with an exciting field trip to Jolly Jungle! They explored the play areas, participated in fun activities, and enjoyed spending time with their friends. It was a joyful and memorable celebration filled with laughter and adventure!

Term 3 Disposition Day

During Disposition Day, our children learnt about honesty through fun games, storytelling and puppet play. Through structured games, they experienced the immediate consequences of fair play and trust, learning that rules create a shared, enjoyable experience for everyone.

Storytelling deepens this understanding by allowing them to observe characters navigate moral dilemmas, empathise with choices and witness how truthfulness resolves conflict. Puppet play takes this engagement a step further, offering an imaginative and safe platform where children can project their own feelings, role-play challenging scenarios and practise telling the truth in real-time.

Teachers' Day

Our Teachers' Day celebration was made extra special through the thoughtful planning and efforts of our parents, who organised a meaningful and enjoyable event for the teachers.

Everyone came dressed for the event as royalty or in their best attire, creating a jubilant atmosphere from the start. The children shared sweet greetings and thoughtful gifts to their teachers to show their love and appreciation, while the fun games and activities made for a delightful and memorable celebration filled with gratitude, laughter and appreciation.

Bloom's Learning Journey to Gardens by the Bay

Our children had a wonderful time during our learning journey to Gardens by the Bay! They explored the Flower Dome, discovering different kinds of flowers and plants and were excited to see the dinosaur displays at the Cloud Forest. This experience encouraged their curiosity, sense of wonder and appreciation for nature while creating meaningful learning experiences beyond the classroom.

East Coast GRC Harmony Day

Our K2 children had an enjoyable time participating in the East Coast GRC Harmony Day! They confidently took the stage to perform and enjoyed fun games with their families. It was a meaningful day filled with joy, togetherness and community spirit, creating beautiful memories for everyone.

Kampong Chai Chee Community Centre: National Day

In celebration of Singapore's National Day, our K2 children took to the stage at the Kampong Chai Chee National Day Celebration and presented a wonderful performance. It was a meaningful experience filled with pride, joy and community spirit!

NTUC Health Active Ageing Centre: Grand Opening

To mark the grand opening of the NTUC Health Active Ageing Centre, our K1s presented a special performance for the attendees and Guest-of-Honour, Mr Tan Kiat How. The children also had an enjoyable time exploring the games and food booths at the event.

Tips for Parents

As children grow, they experience a wide range of emotions. Learning to recognise, express, and manage their feelings helps them build confidence and resilience.

Help Your Child Name Their Feelings

Encourage your child to talk about their emotions using simple words such as happy, sad, angry, worried, or excited. Naming emotions helps children understand and express themselves appropriately.

Teach Healthy Ways to Calm Down

Model and practise simple calming strategies such as taking deep breaths, counting to ten, listening to music, drawing, or taking a quiet break when feeling upset.

Encourage Problem-Solving

Instead of immediately solving problems for your child, guide them to think of possible solutions. This helps develop confidence, independence, and perseverance.

Praise Effort and Persistence

Celebrate your child's efforts rather than focusing only on results. Positive encouragement helps children develop a growth mindset and learn that mistakes are opportunities to learn.

Be a Positive Role Model

Children learn by observing adults. Demonstrating calmness, empathy, and resilience in everyday situations teaches children how to respond to challenges positively.

Together, we can help our children develop the emotional skills they need to navigate challenges and build strong, positive relationships.
