PRINCIPAL'S MESSAGE

A warm hello to all our wonderful families! As another term unfolds, I would like to take this opportunity to thank each and every one of you for your continued trust, support, and partnership.

A heartfelt thank you to all who joined us for our recent Parents' Appreciation celebration. It was truly wonderful seeing so many smiles, laughter, and special moments shared between you and your children. We hope you had as much fun as we did creating memories together!

To those who have recently joined KMBR, welcome to the family! We are so happy to have you with us and look forward to sharing many exciting learning adventures with you and your little ones.

As we move into the next part of the term, we warmly invite you to continue joining us for our upcoming events and activities. Your involvement means so much to your children and helps strengthen the special partnership between home and school.

We are especially excited for our Racial Harmony Day Parent Involvement Activity on 21st July! We can't wait to celebrate Singapore's rich cultural diversity together through fun, meaningful activities with our children and families. Do look forward to the details soon!!

Join us!

Thank you once again for being such an important part of our KMBR community.
We look forward to creating many more joyful memories together. Here's to another wonderful term filled with learning, laughter, and lots of happy moments!

Warm regards,
Mdm Ninah

HARI RAYA AWARENESS DAY

Our children celebrated Hari Raya Awareness Day by coming to school dressed in vibrant, traditional Malay attire. They enjoyed a special storytelling performance that brought Malay dance and musical instruments to life, creating a fun, interactive, and meaningful learning experience.

We were delighted to welcome parents to celebrate this special occasion with us. Your presence made the event even more memorable and gave the children a wonderful opportunity to showcase what they had learnt.

Through this experience, the children gained a deeper appreciation of Hari Raya traditions, built confidence performing for an audience, and felt the joy of sharing their learning with their families—strengthening our centre's spirit of cultural appreciation, family partnership, and joyful learning.

MTL SPECIAL

Salah satu aktiviti semasa Sambutan Hari Raya kami adalah untuk memberi kanak-kanak peluang menikmati pelbagai jenis kuih Raya tradisional menggunakan deria mereka. Melalui pengalaman ini, mereka dapat mengenali budaya Melayu dengan lebih dekat serta mempelajari tentang makanan tradisional dalam suasana yang menyeronokkan bersama rakan-rakan mereka.

WARISAN BUDAYA
Seni Mempertahankan Diri

ASUHAN & TAJAKA 1

Murid-murid Asuhan dan Tajaka 1 meneroka seni silat melalui pengalaman yang menyeronokkan. Mereka berpeluang mencuba pakaian seragam silat serta meniru beberapa pergerakan asas sambil mengikut alunan muzik tradisional. Aktiviti ini membantu mereka mengenali seni warisan Melayu dengan lebih dekat dalam suasana yang aktif.

TAJAKA 2

Murid-murid Tajaka 2 mempelajari pergerakan silat melalui tayangan video dan demonstrasi guru. Mereka kemudian menyertai permainan teka-teki isyarat dengan menunjukkan pergerakan silat, manakala rakan-rakan mereka cuba menamakan pergerakan tersebut. Aktiviti ini membantu mereka mengenali seni silat sambil meningkatkan keyakinan diri serta kemahiran pemerhatian dan kerjasama.

TADIKA 1

Murid-murid Tadika 1 diperkenalkan kepada jenis-jenis silat, pakaian silat dan pergerakan asas melalui penerangan guru serta tayangan video. Mereka kemudian mencuba beberapa langkah asas silat dan meneroka pergerakan tersebut bersama rakan-rakan. Aktiviti ini membantu mereka menghargai seni warisan Melayu sambil membina keyakinan diri dan koordinasi pergerakan.

TADIKA 2

Murid-murid Tadika 2 telah diperkenalkan kepada fungsi keris dalam persembahan silat pengantin Melayu. Mereka menghasilkan kraf keris menggunakan teknik gosokan pada kadbod beralun dan menghiasnya mengikut kreativiti masing-masing. Aktiviti ini membantu mereka mengenali warisan budaya Melayu sambil mengembangkan kreativiti dan kemahiran motor halus mereka.

PARENTS' APPRECIATION DAY

Our children and families at Kidz Meadow @ Buangkok Ridge (KMBR) celebrated Parents' Appreciation Day through a meaningful Family Day held alongside our June D.E.E.P. Project, 'Karang Guni Detective Investigates: Mission I.D.P. – Investigate, Discover, Protect'. Families enjoyed interactive game booths and hands-on activities that promoted wildlife conservation, teamwork, and environmental awareness while strengthening family bonds. Following the event, parents also had the opportunity to meet with teachers during the Parent-Teacher Meeting to discuss their child's learning and development, further strengthening the home-school partnership.

幼儿一班开展太极文化遗产主题活动，幼儿试穿传统太极服饰，模仿太极动作，在体验中感受传统武术文化魅力。

STAFF WELFARE:

GROOMING & ENHANCING THE PROFESSIONAL IMAGE OF KIDZ MEADOW

As part of our staff welfare initiative, the team attended a 'Grooming & Enhancing the Professional Image' workshop. Through interactive sharing and practical tips, our staff delved into the importance of professional presentation, self-care, and confidence in the workplace.

The session provided valuable insights on personal grooming and professional etiquette, empowering our educators to present themselves with confidence and professionalism. It was a meaningful opportunity for staff to learn, grow, and continue representing Kidz Meadow with pride and excellence.

PROJECT KARUNG GUNI GOES ON A GREEN ADVENTURE

COLLABORATION WITH CEREBRAL PALSY ALLIANCE SINGAPORE

As part of our 'Project Karung Guni Goes on a Green Adventure' in collaboration with Cerebral Palsy Alliance Singapore (CPAS), our Infants, Toddlers, and N1 children commemorated Earth Day by learning how small actions can make a positive impact on the environment.

They created clay bowls filled with seed bombs for CPAS, learning about sustainability and how planting seeds helps care for nature.Through this meaningful activity, the children also developed empathy and respect for others, fostering a caring and inclusive mindset from a young age.

During our visit to the Cerebral Palsy Alliance Singapore (CPAS), the children were introduced to a decomposable sensory tub filled with natural materials and discovered how different materials return to the earth over time. They then planted green beans in mini greenhouses, learning about the conditions needed for plants to grow and thrive.

As a follow-up activity, the children shared their mini greenhouses with neighbours, extending their learning beyond the classroom and encouraging them to care for the world around them through simple, meaningful actions.

CELEBRATING CREATIVITY THROUGH 3D ART

IN PARTNERSHIP WITH THE NATIONAL LIBRARY BOARD (NLB)

In partnership with the National Library Board (NLB), our children were given the opportunity to proudly showcase their 3D creations inspired by their learning experiences. During the month of May, our Infants created 'My Kandinsky Tree', while our Toddlers and N1 children designed fruit basket displays. In June, the children explored animals and their habitats through 3D artworks inspired by their learning journeys and visits to the Singapore Zoo, celebrating their creativity and growing understanding of the world around them.

STAFF DEVELOPMENT:

SEEING THE CHILD, SHAPING THE MOMENT

Our staff participated in a professional development session titled 'Seeing the Child, Shaping the Moment'. Through collaborative discussions and activities, educators reflected on understanding children's needs, interests, and learning experiences. The session fostered professional dialogue, teamwork, and the sharing of best practices to enhance quality teaching and meaningful learning experiences for every child.

Our staff participated in interactive team activities that highlighted the importance of being responsive and intentional in everyday interactions with children. Through shared reflections and practical scenarios, educators explored effective strategies to support children's development, strengthen professional practice, and foster a positive learning environment.

Preschool News

JUNE D.E.E.P. PROJECT

KARUNG GUNI DETECTIVE INVESTIGATES: MISSION IDP (INVESTIGATE / DISCOVER / PROTECT)

In June, our children from Infant to K2 embarked on 'Karung Guni Detective Investigates: Mission I.D.P. (Investigate • Discover • Protect)'. As young 'Karung Guni Detectives', they investigated and discovered wildlife, including the Asian elephant, crocodile, orangutan, proboscis monkey, tiger, and pangolin. Through meaningful hands-on experiences and inquiry-based learning, the children developed a deeper appreciation for wildlife while understanding the importance of protecting animals and their habitats.

Through stories, songs, sensory play, art, and practical experiences, children delved into the unique characteristics, habitats, and needs of different wildlife. These activities encouraged the children to observe, inquire, and make meaningful connections between their learning and the role each of us plays in caring for the natural world.

LEARNING JOURNEY TO BOLLYWOOD FARM 'LITTLE GREEN FINGERS'

On 20 May, our children enjoyed a meaningful learning journey to Bollywood Farms for the 'Little Green Fingers' programme. They explored a variety of plants, planted their own baby pandan plant, and enjoyed banana cake made with fresh farm ingredients. Using cameras and voice recorders, the children documented and shared their discoveries. Through this active learning experience, they deepened their understanding of plants, nature, sustainable food sources, and where food comes from.

DISPOSITION DAY SPECIAL

TOGETHER WE CARE, TOGETHER WE SHARE

During our Term 2 Disposition Day, our children across all levels celebrated the theme 'Together We Care, Together We Share' through meaningful experiences that nurtured kindness, empathy, and cooperation. Through age-appropriate activities, children learnt the importance of caring for others, showing appreciation, and building positive relationships within their learning community.

Our Infants were introduced to simple acts of kindness by using the baby sign language for 'please' and 'thank you', helping them express care and appreciation towards their friends.
The Little Bloom children applied these values through interactive play experiences. Teachers modelled positive behaviours such as kindness, patience, and teamwork, while encouraging children to support one another by offering help and working together.

Our Bloom children explored ways to build positive relationships by way of kindness, respect, and inclusion. Through discussions and interactive activities, they practised using encouraging words, inviting others to join in play, and offering support to their peers. The children also learnt to listen attentively, express their ideas respectfully, and respond thoughtfully to their friends' contributions. These valuable experiences helped them understand how everyday actions can foster a caring, inclusive, and respectful learning community.

KMBR OPEN HOUSE 2026: MY EMOTIONS, MY WORLD

Thank you to all the families who joined us at KMBR Open House 2026! Through the theme 'My Emotions, My World', families experienced how children develop emotional awareness, build positive relationships, and express themselves through meaningful play and learning. The event showcased our learning environments, children's experiences, and our educators' commitment to nurturing confident, resilient, and empathetic learners. We look forward to partnering with our families as we continue to inspire every child's growth, learning, and well-being.

LEARNING JOURNEY TO SINGAPORE ZOO

IN CONJUCTION WITH JUNE D.E.E.P. PROJECT, KARUNG GUNI DETECTIVE INVESTIGATES & KEMBARA NUSANTARA

In conjunction with our June D.E.E.P. Project, 'Karung Guni Detective Investigates: Mission I.D.P. (Investigate • Discover • Protect)' and 'Kembara Nusantara', our children embarked on an exciting learning journey to the Singapore Zoo.

Each class investigated a different animal, delving into its habitat, adaptations, and the importance of wildlife conservation. As part of 'Kembara Nusantara', the children also took a closer look at reptiles and learnt how the unique patterns on snake skin resemble traditional batik motifs, making meaningful connections between nature and culture.

The learning journey sparked the children's curiosity, encouraged inquiry, and deepened their understanding of the natural world through authentic, hands-on experiences.

Preschool News

I CAN SPY! NATURE

BANG THE TWIGS

Our little explorers experimented with banging twigs together and on different surfaces, discovering the myriad of sounds they could create. Through this sensory experience, they developed hand-eye coordination, strengthened their grasping skills, and learnt cause and effect through active play and exploration.

NATURE SCAVENGER HUNT

Meanwhile, our curious toddlers used magnifying glasses to closely observe natural elements and search for tiny insects, such as ants. This hands-on exploration encouraged careful observation, curiosity, and a greater appreciation of the wonders found in nature.

LEAF THREADING

Our N1 children created beautiful nature hangings using twigs, yarn, and leaves. As they threaded the leaves onto the yarn and assembled their creations, they strengthened their fine motor skills and hand-eye coordination, while developing social skills through sharing, turn-taking, and creating alongside their friends.

Preschool News

NATURE MAGNIFIED

LITTLE HABITAT BUILDERS

Our N2 children explored the importance of plants in fish habitats and how they provide shelter, protection, and a healthy environment for aquatic life. Using a variety of materials, they created a fish tank diorama with plants, rocks, hiding places, and fish, applying their understanding of what makes a safe and suitable habitat.

OUR JUNIOR ECO-DESIGNERS

Our K1 children became young environmental designers as they created miniature ecosystems using clear containers and natural materials. As they selected and arranged the materials to build habitats, they demonstrated creativity, problem-solving, and decision-making, while collaborating with their peers as they confidently shared their ideas and designs.

CREATIVE HANDS, RECYCLED WONDERS!

Our creative K2 children transformed recyclable materials into their own Forky and Spoony toy characters using plastic forks, spoons, ice cream sticks, and other recyclable items. Through this hands-on activity, they expressed their creativity, strengthened their fine motor skills, and discovered how reusing everyday materials can help care for the environment.

Preschool News

MALAY CULTURAL MUSIC & DANCE EXPOSED

Our children were immersed in a rich Malay cultural experience through traditional dances, performances, and musical instruments. By observing, listening, and participating, they explored the unique rhythms, movements, and sounds of Malay traditions. These meaningful experiences deepened their understanding of Singapore's multicultural heritage, while fostering respect for cultural diversity and a stronger sense of belonging within the community.

MALAY CULTURAL WEEK

Throughout Malay Cultural Week, our children experienced the richness of Malay culture through hands-on activities, traditional games, music, dance, and storytelling. These authentic experiences encouraged curiosity, meaningful conversations, and a deeper understanding of the customs, traditions, and values that are part of Singapore's multicultural identity.

Preschool News

TECHNOLOGY TOOLS

LITTLE VOICES, FASCINATING STORIES

Our children used a voice recorder to document their observations and favourite moments during their visit to Bollywood Farm. Using this digital tool encouraged them to reflect on their experiences, organise their thoughts, and express their ideas with confidence, while developing their communication and language skills. By listening to and sharing their recordings, the children became active participants in documenting their own learning, strengthening their ability to recall experiences, communicate their understanding, and make meaningful connections between what they observed and what they learnt.

CLICK, CAPTURE, DISCOVER!

Our little explorers used digital cameras and voice recorders to investigate and document their discoveries during a nature walk. By capturing photographs and recording their observations, the children learnt to notice details, compare their findings, and communicate their ideas. Revisiting their photos and recordings encouraged discussion, critical thinking, and reflection, while demonstrating how technology can be used as a meaningful tool to support inquiry, exploration, and collaborative learning.

CAPTURING NATURE'S AMAZING DETAILS

Our children used cameras and voice recorders to capture and document their discoveries during their outdoor exploration. As they photographed natural objects and recorded their ideas, they learnt to look more closely at the details in their surroundings and share their thoughts with others. Integrating digital tools into the experience encouraged active inquiry, thoughtful reflection, and meaningful connections between nature and learning.

PARENTS' TESTIMONIALS

We enrolled our son at KMBR 2 months ago and the experience has been positive overall. He has settled in well, becoming more comfortable around other kids and picking up small social cues, which is a good sign. Drop offs are not challenging anymore which means he feels secure there. There is a good mix of creative, motor and cognitive activities that keep him engaged without being overwhelmed. Thank you!

PARENT OF SHUBH MAHESHWARI

Hi everyone!
I love the infant care at Kidz Meadow Buangkok Ridge. My 4-month-old is well looked after and hitting his milestones, while my 1-year-old enjoys the activities and has made great friends. The teachers genuinely care and it shows. Thank you teachers!

PARENT OF
QIARA MIKAYLA NAISYA
QAIREENA NELLYSHA SORA

The teachers are genuinely warm and friendly, greeting the kids each morning with real affection. It gives us such peace of mind knowing our toddler is in caring, capable hands. I am so impressed by the creative activities done at school which has helped my baby to develop her skills.
