Term 2, 2025 Newsletter

Message from Principal

Welcome to our second newsletter of the year! Term 2 has been vibrant and full of exciting moments. Here are some key highlights:

We had a wonderful time during our Hari Raya Open House! It was heartwarming to see our parents so actively involved in games such as charades, "Complete the Lyrics," and "Guess the Country" – all of which brought plenty of laughter and joy. A big thank you to our parents for bringing delicious food to share with everyone!

Our Little Bloom children had a fantastic Learning Journey to KidsSTOP @ Science Centre, accompanied by their parents. Everyone enjoyed the hands-on experiences and interactive exhibits. Meanwhile, the Bloom group visited the National Gallery, where they admired beautiful artworks and learned about the elements of art.

This edition captures the wide range of activities the children participated in throughout Term 2. Their excitement and involvement truly made each experience special. We hope you enjoy reading this engaging and cheerful newsletter!

Nature Magnified

As part of their exploration of nature and sustainability, Nursery 2 children made pots from recyclable plastic items. The children brushed on a fresh coat of paint to the pots to update their look.

This hands-on activity not only sparked their creativity but also taught them the importance of caring for the environment by giving new life to everyday items.

During their nature walk, the K1 children joyfully collected dried leaves, and were captivated by the variety of shapes and patterns they discovered. As they explored, their curiosity and appreciation for the natural world grew, making it a lively and meaningful outdoor experience.

Nature Magnified

The kangkong planted by the K1 children in the smart garden have been successfully harvested! After weeks of observing the kangkong's growth, they enjoyed the rewarding experience of completing their planting journey.

The children went on a Nature Walk to spot recycling bins around the neighbourhood and discuss the types of items that can or cannot be recycled. They used a camera to document their findings, making the activity both fun and educational, while reinforcing responsible waste disposal.

To deepen their understanding of recycling, the children took part in a hands-on craft activity using plastic bottles. Guided by the question, "How can you turn this bottle into something new?", they planned and created imaginative projects, reinforcing the value of reusing materials.

Preschool News

During an outdoor walk, the toddlers collected dried leaves for a stacking activity in class. Back in the classroom, they built leaf towers – an activity that developed fine motor skills, focus, and problem-solving, while exploring nature through play.

Nursery 1 children engaged in a hands-on art activity where they created colourful leaf prints. After collecting leaves on a nature walk, they painted the undersides and pressed them onto paper, revealing beautiful patterns. This fun experience allowed them to explore colours and shapes while enhancing their observation and fine motor skills.

Kidz Meadow @ Eunos Celebrates Hari Raya Awareness Day

Kidz Meadow @ Eunos celebrated Hari Raya Awareness Day with the elderly from Muhammadiyah Day Care Centre, where we created a joyful event filled with vibrant performances of traditional songs and dances. The children entertained the seniors, who shared personal stories and memories of Hari Raya, fostering intergenerational connections and enhancing the children's understanding of the festival's significance. A fun game of guessing song lyrics further sparked laughter and bonding, emphasizing the importance of community and togetherness during festive celebrations.

Start Small Dream Big

On 8 May 2025, Kidz Meadow @ Eunos proudly launched Start Small Dream Big (SSDB) under the theme "Nurturing Kindness, Building Community." The event kicked off with the unveiling of the Kindness Tree. Three representatives from each class attached their "Act of Kindness" plates to the tree's branches, marking the official launch.

Following the ceremony, the K2 children visited the Muhammadiyah Daycare Centre, where they participated in a Zumba session and chair exercises with the elderly and collaborated to create keychains. Meanwhile, the N2 and K1 children engaged in unboxing their SSDB materials and watched a slideshow to gain insights into the SSDB initiative.

To wrap up the launch event, the children from Toddler to Kindergarten 1 participated in a special activity, crafting Mother's Day gifts to express their appreciation for their mothers.

Career Day

During our Career Day on 15 May, the children came to school dressed in costumes representing their dream jobs. Each child was invited to share what they aspire to be when they grow up and the reason behind their choice. To make the day even more exciting, the teachers organised fun games and activities. We wish all the children great success as they pursue their dreams!

Disposition Day

Toddler

The Toddlers learnt the importance of caring for one another, discovering how kindness fosters happiness and encourages collective growth. They also learnt to identify when they or their friends are feeling upset and practised appropriate calming techniques. Following this, they created "Sharing Hearts," which they then shared with their friends.

N1

The N1 children successfully completed the Helping Hands Garden activity! They collaborated with enthusiasm as they created their hand prints and contributed to the garden scene. The children delighted in selecting colours, tracing their hands, and sharing examples of how they show care, like helping friends and sharing toys. It was a joyful and impactful experience that fostered both creativity and kindness.

Disposition Day

The N2s participated in Disposition Day with the motto "Together We Care, Together We Grow." They worked on a Kindness Garden art project, colouring flowers and decorating the garden with stickers and sequins. This collaboration enhanced their teamwork skills and fostered friendships.

The K1 children enthusiastically created "Sharing Hearts," a heart-shaped craft work that encouraged them to express their commitment to helping and sharing with friends. They added their own unique and creative touches to their pieces using crayons, markers and stickers.

The K2 children worked together on their Sharing Hands Tree, drawing inspiration from the theme "Together We Care, Together We Grow." They exchanged meaningful ideas on how to demonstrate care for others while exploring the importance of teamwork and the benefits of collaborating towards a shared objective.

Learning Journey (Litte Bloom)

The Toddlers and Nursery 1 children had a wonderful time at KidsSTOP.

They explored various play zones and developed their fine and gross motor skills by taking on roles such as investigator, chef, pilot, builder, and more! Back at school, they shared how they felt about the trip during their Show & Tell session.

Learning Journey (Bloom)

The Bloom children had a wonderful experience exploring various crafts and artworks at the National Gallery. What made it even more engaging was the opportunity to learn about the rich history and deeper meaning behind each piece during their session with an assigned tour guide. It was truly an insightful trip!

Teachers' Training

CALM

The teachers' training session, titled "The Teaching Trailblazers: Charting the Path for Diverse Learners", fostered collaboration and inspired a shared commitment to inclusive education.

It was a meaningful and enriching day as teachers from various centres gathered to learn from one another and deepen their understanding of inclusive practices.

The training covered calming techniques, baby sign language, and learner's profiles, equipping educators with practical tools to better support every child. Through interactive, hands-on activities, our educators actively explored strategies tailored for diverse learners.

Curious Toddlers In Action

Fruits we Eat

The Toddlers were delighted to receive a surprise bag filled with various fruits, enjoying the experience of feeling the different textures inside.

They had an enjoyable time as they enthusiastically guessed the fruits and explored their unique characteristics alongside their friends! Who knew fruits could be so fun?

Painted Toast

The Toddlers enthusiastically blended milk with various food colourings, then grabbed brushes to paint their bread slices with the brightly-hued mixtures.

Bursting with excitement, they shared their colorful creations with friends before toasting them with the teacher's assistance.

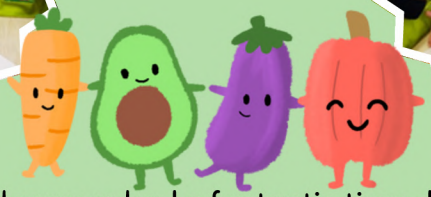
Bright Days in Nursery 1



Our Nursery 1 little learners had a fantastic time discovering healthy eating by designing their own nutritious plates! Using cut-out pictures, they carefully chose wholemeal bread or brown rice, proteins, and an array of fruits and vegetables, to assemble a balanced meal. It was a fun and creative way to understand the importance of making healthy food choices!

It was marketing day for the N1 children! They thoroughly enjoyed the pretend play activity where they created a shopping list of groceries they wished to buy at the supermarket. They took turns acting as customers, selecting fruits, pastries, and vegetables to fill their baskets, while a few of their friends played the role of cashiers.

N2 LEARNING

In this engaging discovery activity, the children delved into the natural world by conducting a sensory investigation of flowers. They gently touched the petals to compare various textures such as smooth, velvety, and waxy.

Additionally, they smelled the flowers to identify distinct scents. This activity encourages an appreciation for how the unique characteristics of flowers aid in their survival and attraction.

Through group discussions and classification exercises, the children enhanced their communication and observational skills. This experience bridges curiosity with discovery, fostering both scientific literacy and a sense of wonder for nature.

"Special Delivery: K1s Become Postmen!"

In this delightful activity, the K1 children joyfully sang the upbeat "Postman Song", beaming with big smiles as they pretended to deliver letters to their friends. While playfully sharing the letters, they took turns drumming to the rhythm, creating a lively and engaging atmosphere. The thrill of pretending to be postmen added a creative flair to their musical experience!

K2 Adventures!

Here's a glimpse of our remarkable K2 students on their journey as they transformed from firefighting heroes into budding scientists! Clad in helmets and safety gear, they "rushed" to imaginary emergencies, honing their teamwork skills while gaining insights into fire safety.

This role-play not only fostered their communication abilities and confidence but also provided a foundational understanding of community helpers and their vital roles. It was truly delightful to witness their imagination coming alive as they "saved the day"!

As curiosity flourished, our K2 students embarked on an experiment featuring celery. Using coloured water and celery stalks, they observed how plants absorb water, marvelling at the gradual ascent of colour through the stalks.
