

Message for parents

Dear Parents and Families,

Term 3 has been filled with many wonderful moments, and we would like to thank all our parents for your continued support, trust and collaboration. Your partnership has contributed greatly to making Term 3 a meaningful and memorable learning journey for our children.

We are grateful for your involvement in our centre activities and for the encouragement you continue to give to our children and teachers. Together, we have created many opportunities for our children to learn, explore and grow.

As we journey into Term 4, we are excited to continue this adventure together and create more joyful learning experiences and special memories for our children. Thank you for being an important part of the Kidz Meadow family. We look forward to another wonderful term together.

Sincerely,

Mdm Hanisah Abu (Principal)

Racial Harmony Day & Friendship Day

Our children had a wonderful time celebrating Singapore's multicultural heritage! Dressed in their beautiful ethnic costumes, they tried their hand at a variety of traditional games from different cultures.

The children learnt about the traditions and customs of Singapore's diverse ethnic communities, giving them the opportunity to appreciate one another's cultures, develop respect for differences and build friendships through play.

HARMONY

Superkinder Camp

Our campers embarked on an exciting quest to become Courage Keepers during the Superkinder Camp! They took part in a series of fun adventures and challenges that encouraged them to discover and practise positive values such as courage, teamwork, kindness and perseverance.

Through each adventure, the campers learnt that being courageous means trying their best, supporting one another, and never giving up when faced with challenges. They certainly had their fill of fun and laughter throughout the camp!

From trail to tales

National Day: Old School Sports Fiesta

Our parents were invited to join their children in a fun-filled celebration featuring Singapore's old-school games during our National Day Sports Fiesta. Families took part in a medley of traditional activities, creating opportunities to bond, have fun, and celebrate together as a community.

The children and parents also challenged themselves through a variety of sports and team games. One of the highlights was the tug-of-war activity, where everyone cheered, laughed and gave their best effort to win the game!

Disposition Day: Honesty Begins with Me

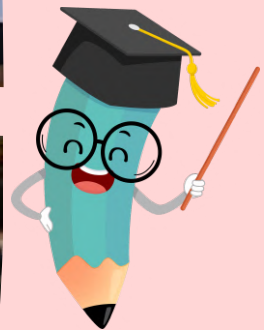

Our children took part in an exciting obstacle course that encouraged them to practise the value of honesty. As they navigated through the different challenges, they were encouraged to play fairly, follow the rules, and be truthful when something did not go as planned.

Teachers' Day

Our Parent Support Group came up with an underwater theme for our Teachers' Day event, and everyone came dressed in different shades of blue to bring the theme to life! They planned a variety of fun-filled games for the teachers and children to enjoy together, creating wonderful opportunities for bonding, laughter and teamwork.

The celebration ended on a high note with a lively dance session featuring a selection of the teachers' favourite songs. It was certainly a joyful event filled with fun, laughter and memorable moments shared by all!

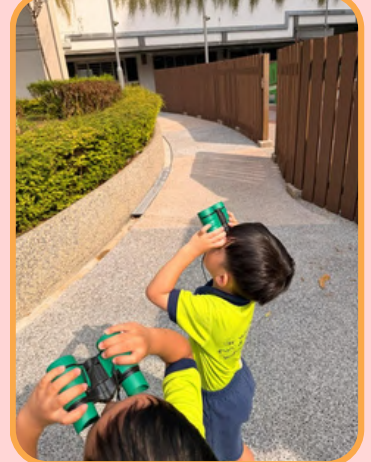

Our teachers had a special day of their own as they celebrated Teachers' Appreciation Day with a Bridgerton-inspired theme! The teachers dressed up elegantly and embraced the charm and style of the era as they created many beautiful and memorable moments.

**TEACHING IS A
WORK OF HEART**

There is so much to discover in nature, even right outside our school! Our children stepped outdoors to explore the wonderful world around them. From colourful flowers and leafy plants, to tiny insects and other garden creatures, every little discovery sparked their curiosity and excitement!

With curious minds and little hands ready to explore, our children became Nature Detectives and set off on an adventure around our school!

Interacting with BUBBLES with questions.

Busy hands planting using a hydroponics system!

The children were introduced to a variety of tools and resources to make their learning more engaging and meaningful. They explored different ways to learn, discover, and understand new concepts through the use of these tools.

Using a 3D pen to draw lines and shapes

Creating their own flowers using a 3D pen

Capturing the beauty of nature around them using cameras

Learning Journey: Gardens by the Bay

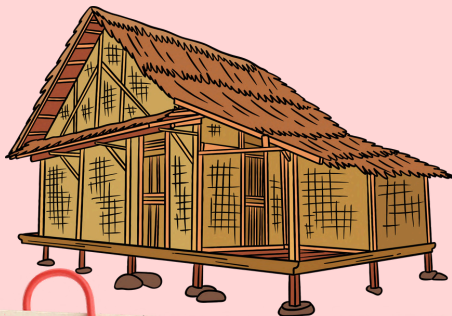

Look at all the beautiful flowers blooming around us! Our children went on a little nature adventure, taking the time to stop, look closely, and explore the wonderful world of flowers and plants.

WARISAN BUDAYA

Murid-murid mempelajari tentang seni ukiran. Mereka diperkenalkan kepada pelbagai objek yang mempunyai reka bentuk ukiran seperti rehal. Sebagai aktiviti susulan, mereka meletakkan rehal di bawah sehelai kertas, kemudian menggunakan krayon untuk mewarna di atas permukaan ukiran tersebut untuk menampakkan reka bentuknya di permukaan kertas.

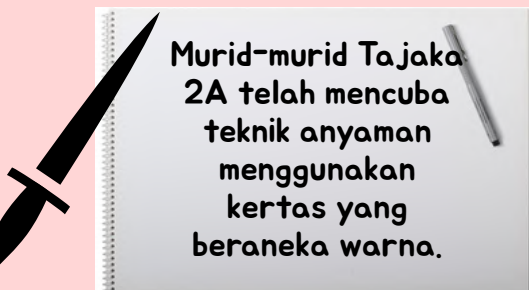

Murid-murid Tadika 1 teruja apabila mereka melihat beberapa jenis keris dengan lebih dekat dan juga berpeluang memegang keris-keris tersebut.

Murid-murid Tadika 2 bekerjasama dengan rakan-rakan mereka untuk membina rumah kampung mini dari bahan kitar semula.

Murid-murid Tajaka 2A telah mencuba teknik anyaman menggunakan kertas yang beraneka warna.

Tips for Parents

For a smooth & punctual morning

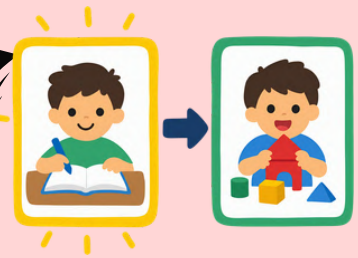

Set an earlier bedtime

Follow a morning routine

Use visual reminders

Keep mornings positive

Talk about the importance of being on time

Little steps at home can make a big difference in helping children develop good routines and start their school day feeling happy and ready to learn!

PARENTS' TESTIMONIALS

We really enjoyed the school carnival! The games were fun, easy to understand, and very engaging for the kids. It was great seeing them participate and have such a good time.

One suggestion would be to include a few more group-based games instead of mostly individual activities. That could encourage teamwork and give the kids more opportunities to interact, communicate, and socialize with one another.

Overall, it was a wonderful event, and we appreciate all the effort that went into organizing it. Thank you!

Thank you to all the teachers for the time, effort, and thoughtful preparation that went into organizing such a wonderful carnival. Every game station was fun and engaging, and both my daughters and I had an amazing time together.

Our favourite activity was definitely the football station! Even though the weather was very hot, all the children were full of smiles and had so much fun.

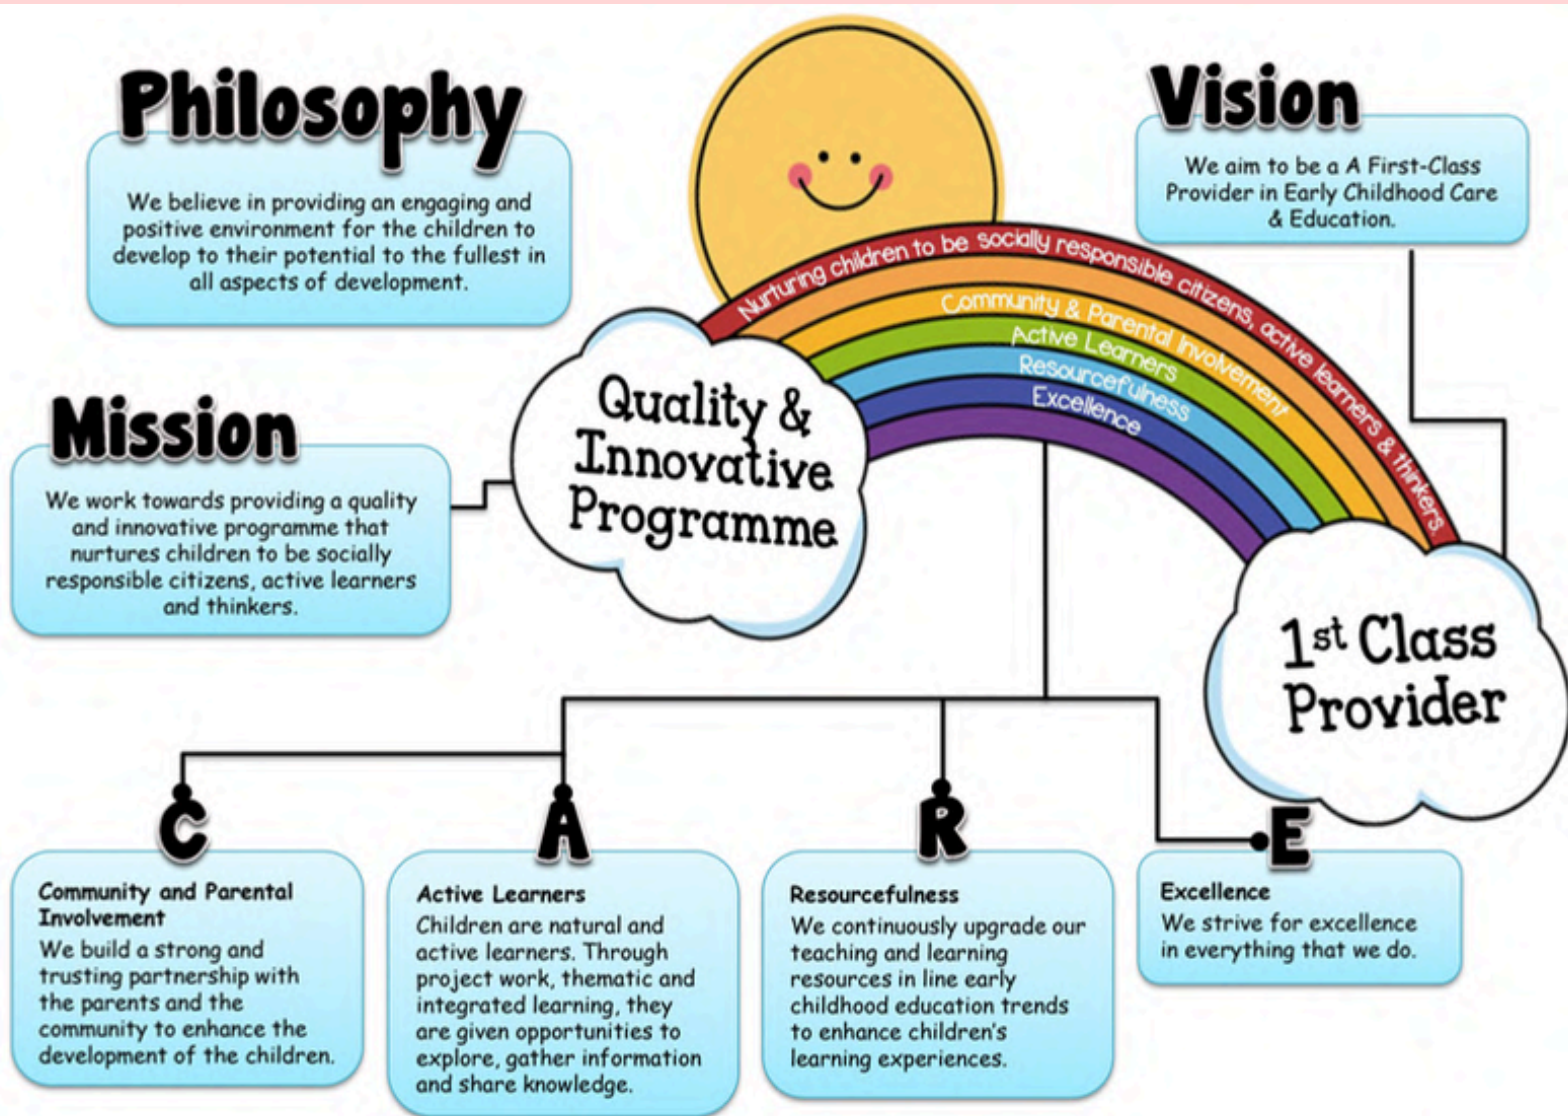

A heartfelt thank you to all the teachers for your hard work, dedication, and care. We truly appreciate everything you do for our children!
