AUGUST 9

SINGAPORE National Day

KMPR celebrated SG60 at Pasir Ris Park together with our parents. We enjoyed a scenic walk around the park, followed by fun old-school games such as capteh, marbles, five stones, pick-up sticks, and hopscotch – filling the day with joy and laughter. Parents laid out picnic mats to relax and savour the refreshments served. The celebration ended on a high note with a heartfelt sing-along of our national songs. It was truly a memorable day of togetherness and pride. Majulah Singapura!

On 23 August 2025, the Kidz Meadow Northeast Cluster came together to host a vibrant Family Carnival! The event was filled with lively performances by children from the different centres, fun game stations, educational toy booths, and even special booths by our community partners.

It was a wonderful day of bonding as students, parents, families, and staff gathered to celebrate and enjoy the festivities together. Most meaningfully, the carnival supported a good cause – all proceeds from ticket sales went to the HCA Hospice.
