Toddler 1A delighted in scooping water and watching balloons float in a water play activity that developed their hand-eye coordination. They certainly had fun too!

Nursery 1 Class Disposition Day

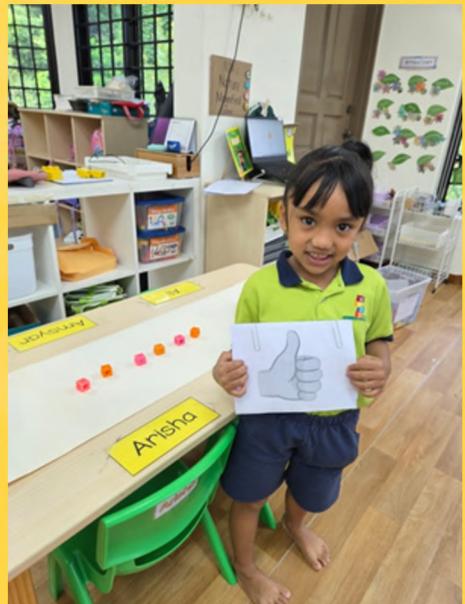

In line with Disposition Day, we introduced the theme of embracing honesty. The children explored simple scenarios to understand what honesty looks like, and engaged in a water activity where they tried to float toys and were encouraged to tell their teacher the truth if the toys drifted away. It was a meaningful and engaging session, where the children learnt an important lesson in a fun way.

N2A Class Disposition Day

The importance of honesty was reinforced through a short numeracy activity - AB Pattern. They applied the 'Think First' option before completing an AB pattern. Thumbs up to the children for completing the activity honestly!
