

Principal's Message

Greetings Kidz Meadow @ Woodlands Families,

I would like to take a moment to reflect on some of the wonderful experiences our children have shared in Term 3 with you.

We recently concluded our SSDB Project with the annual North West Sports Carnival on 28th August, bringing together children and families from our four North West centres in the spirit of play, giving and community support. Together, we have raised over \$2,000 for SASCO. We are grateful to our KMW families for coming forward to participate, contribute and support this meaningful cause. It was heartwarming to see our children learn that giving to others can be part of the joy of coming together as a community. ❤️

Our Little Bloom children celebrated a special milestone as they embarked on their first learning journey with just their teachers and friends. Having experienced their first learning journey with their parents earlier in the year, it was wonderful to see them take this next step with confidence and independence. We are so proud of how well our little ones did. Good job, our little explorers!

Meanwhile, our Bloom children went on a learning journey to Gardens by the Bay, extending their Nature Magnified learning beyond the classroom and into the outdoors. These experiences give our children opportunities to connect their learning with the world around them while nurturing their curiosity and appreciation for nature.

To all our KMW families, thank you for the love and appreciation you showed our teachers during Teachers' Day. Your kind words, thoughtful gestures and encouragement truly meant a lot to our teachers. Thank you for your continued trust, appreciation and support.

To our #KMWAngels, thank you for all that you do for our children every single day. Together, we will continue to create a community where our children learn, grow, give and thrive.

With heartfelt appreciation,

Mdm Suhailah Mohd Salleh

Meet Our New Educators

We are delighted to welcome our newest members to the KMW family! They bring fresh energy, creativity and a heartfelt commitment to nurturing and supporting our little ones.

Our new educators will create engaging, child-centred learning experiences that spark the children's curiosity, build their confidence and encourage every child to grow at their own pace.

We are excited to have them on board and look forward to the wonderful experiences, laughter and learning they will share with our children. After all, when teaching is fun, learning comes alive!

Fun Facts About Our Educators!

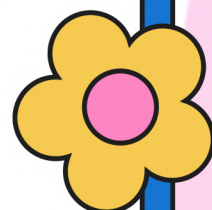

"As a teacher, I love turning simple, everyday things into wonderful hands-on adventures! Whether exploring nature, celebrating our culture, or getting creative – every moment becomes a fun learning experience!" 🌿🎨

"I am a teacher who loves learning & growing too! 📚 I believe children learn best through play, exploration, and hands-on fun, so I bring songs, stories, and games to make learning magical!" 🎵📖🎨

"I am the type of teacher who loves bringing lessons to life with songs and actions so learning feels like play!" 💖

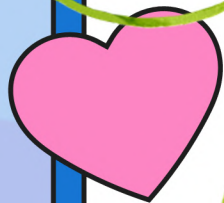

Racial Harmony cum Friendship Day Celebration

We came together to celebrate our beautiful Singapore — a colourful home where friends of all backgrounds live, learn, and play as one! 🇸🇬

Through songs, stories and fun activities, our children discovered that while we may come from different backgrounds and have different traditions, we can all be friends.

Together we grow, together we shine! 🌍 ✨

Superkinder Camp

Our K1 & K2 'superkids' had the BEST time at Superkinder Camp!

From making yummy s'mores and splashing in water play, to exploring nature trails and embarking on a magical 4D adventure, every day was filled with excitement! The children bravely conquered the Courage Fort, sang along to their favourite campfire songs and enjoyed wonder-filled shadow puppet performances that sparked their imagination.

Along the way, they worked as a team, made new friends and stepped out of their comfort zone to try new experiences. Every moment was SUPER, every activity was special — and every child truly shone like a star!

Wenhua Yichan - Blue and White Porcelain

青花瓷是中国经典传统瓷器，蓝白相映的配色与细腻纹样，造就素雅雅致的东方美感，在花瓶、茶具、碗盘等生活用品中随处可见。活动中，教师引导幼儿欣赏、观察青花瓷的色彩与传统纹样。幼儿利用皱纹纸、黏土、蓝色画笔，在纸盘、塑料瓶上，通过搓、揉、粘、画等方式创作青花作品。幼儿在动手创作中锻炼小肌肉与手眼协调，激发创意，感受中华传统艺术之美。

Blue-and-white-porcelain is renowned as a classic and traditional form of Chinese ceramic ware. Its blue-and-white colour scheme and delicate patterns reflect elegance and oriental beauty, and these can be seen in daily items such as vases, tea sets and tableware.

During the lesson, the children were guided to appreciate and observe the colours and traditional patterns of blue and white porcelain. Using crepe paper, clay and blue markers, the children created their own blue-and-white artwork on paper plates and plastic bottles by rolling, kneading, pasting and drawing. Through this hands-on activity, the children strengthened their fine motor skills and hand-eye coordination, nurtured their creativity, and experienced the beauty of traditional Chinese art.

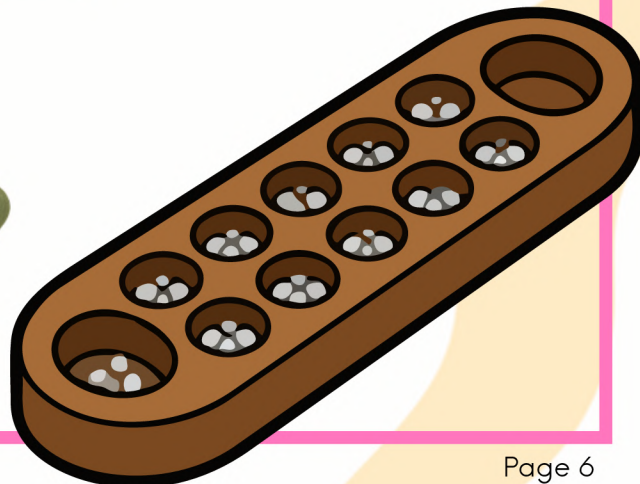

Warisan Budaya - Seni Ukiran Kayu

Murid-murid telah diperkenalkan kepada keindahan seni ukiran kayu Melayu melalui pengalaman melihat dan menyentuh hasil seni seperti rehal dan congkak. Mereka turut mempelajari tentang keunikan serta fungsi barangan tradisional ini dalam budaya Melayu. Pada masa yang sama, murid-murid dapat menghargai warisan budaya yang telah diwarisi turun-temurun.

Warisan Budaya - Rumah Kampung

Murid-murid Tadika 2 telah meneroka tentang rumah kampung dan keunikannya sebagai sebahagian daripada warisan budaya Melayu.

Semasa aktiviti kraf, mereka bekerjasama untuk menghasilkan sebuah rumah kampung menggunakan kotak kadbod dan batang aiskrim. Melalui pengalaman ini, murid-murid dapat mengembangkan kreativiti mereka, memupuk kemahiran bekerjasama, serta menghargai warisan budaya kita.

National Day Celebration

What a wonderful celebration we shared! Dressed in beautiful red and white, we came together to honour our beloved Singapore, our colourful, happy home! 🇸🇬 We sang our favourite national songs, learnt about our national flag and flower, enjoyed fun activities, and shared what we love most about living in Singapore. Through the celebration, our little hearts discovered that while we may come from different backgrounds, we are one people, one nation, one Singapore — one big, happy family!

Current Issue

Little Bloom: I CAN SPY! Nature

Through 'I CAN SPY! Nature', our Little Bloom children were given meaningful opportunities to explore, observe and connect with the natural world around them. Through age-appropriate experiences, the children had the opportunity to build on their learning as they grow, creating continuity in their experiences with nature from the Early Years through N2 and beyond.

Toddlers: Flower Hunting Activity

The children observed the textures, shapes, colours and sizes of the flowers around them using magnifying glasses.

Toddlers: A Blooming Adventure!

The children went on a colourful flower adventure, discovering, touching and exploring nature in their own little ways.

Nursery 1: Nature Sensory Bottles

The children explored the outdoors and collected natural treasures such as twigs and leaves to use in their craft.

Little Bloom Learning Journey: City Sprouts

Our Little Bloom children had an exciting time at City Sprouts, where they discovered the important roles of different community helpers. From farmers who grow the food we enjoy, to other helpers who support our daily lives, the children discovered how each role contributes to a thriving community. Through hands-on experiences and meaningful conversations, they gained a deeper appreciation for the people who work behind the scenes to make our community a wonderful place to live, learn and grow!

FARM

Bloom Learning Journey: Gardens by The Bay

Our Bloom children brought their learning about flowers and plants to life during their Learning Journey to Gardens by the Bay! They had a closer look at different types of flowering and non-flowering plants, and recalled what they had learnt about edible flowers and their uses. Armed with cameras and voice recorders, the children documented their observations and captured meaningful moments throughout their exploration. It was a wonderful opportunity for the children to connect classroom learning with real-world experiences!

Disposition Day: Honesty Begins with Me

During Disposition Day, our children delved into the value of honesty through engaging discussions and participating in a fun gross motor activity. They were presented with different scenarios, such as finding items around the classroom, and discussed whether they should keep or return what they found. Through play, movement and meaningful conversations, the children learnt that being honest means making the right choice, even when no one is watching.

Start Small Dream Big Sports Carnival

The Start Small Dream Big (SSDB) Fundraising Sports Carnival brought children and families together to celebrate the completion of our annual SSDB Project! Families enjoyed a fun-filled day of games and joyful activities, while working together to raise funds in support of SASCO. It was a wonderful celebration of teamwork, family bonding and giving back to the community!

Little Faces, Big Smiles!

Our children had fun getting their faces painted during the Sports Carnival, proudly showing off their colourful designs!

Celebrating Our Team

Our centre was filled with joy and laughter during Teachers' Day when we took the opportunity to honour the dedication and hard work of our teachers in a cheerful pastel-themed event. The celebrations continued at the Staff Appreciation High Tea, where everyone stepped into the world of Bridgerton for an afternoon of games, laughter and togetherness. We also proudly celebrated four teachers who received their Long Service Awards for their years of dedication and commitment.

The Team from
Kidz Meadow @
Woodlands

Celebrating our four teachers, Cikgu Puteri, Teacher Fiqah, Teacher Suhaili and Teacher Munirah, for their years of dedicated service and commitment. Congratulations on this well-deserved recognition!

Healthy Recipes for the Family

This no-bake chocolate slice requires no baking and is easy and quick to make! It is perfect for an afternoon treat, as a lunchbox snack (no nuts!) and is sweet enough for dessert. Great for picnics, snack time and any time you need a quick chocolate fix.

Source: <https://kidgredients.com.au/no-bake-chocolate-slice/#recipe>

Ingredients

- 250 grams chocolate (ripple) biscuits
- ½ cup coconut oil (melted)
- 2 tablespoons maple syrup
- ½ cup desiccated coconut
- 1 teaspoon vanilla paste
- 1 cup puffed rice
- 1 cup rolled oats
- 1 cup dark chocolate melts

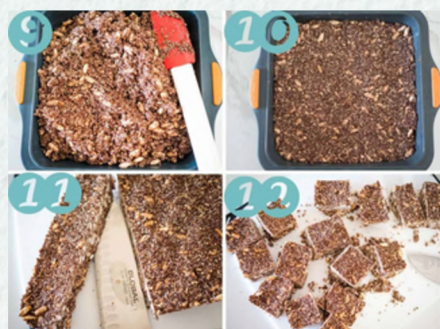

Instructions

1. Place the chocolate ripple biscuits and rolled oats into a blender. Blitz together until they resemble sand.
2. Combine the puffed rice, desiccated coconut, and biscuit mix in a large bowl. Mix well.

- Combine the chocolate, coconut oil, maple syrup and vanilla paste in a microwave safe bowl. Microwave at 50% power for 1 minute. Stir to melt the rest of the chocolate.
- Pour the chocolate mix into the dry mix and mix well.

- Pour into a cake tin (silicone or lined). Press down, pushing out to the sides and smoothing the top.
- Refrigerate for 3 hours or until solid.
- Cut into bars, then squares, and serve.

Philosophy

We believe in providing an engaging and positive environment for the children to develop their potential to the fullest in all aspect of development.
