Term 4, 2025 Newsletter

Message from Principal

Dear Parents and Guardians,

As we have reached the end of Term 4, I would like to take a moment to express my heartfelt gratitude to each and every one of you. Your support, trust, and partnership have been the foundation upon which we have built a wonderful year of learning, growth, and joy for our children.

It has been a privilege to watch them develop new skills, make new friends, and discover new passions. Our dedicated teachers have worked tirelessly to create engaging and meaningful experiences, and I am grateful for their hard work and dedication.

As 2025 comes to an end, may the days be filled with much love, joy and fond memories. I look forward to seeing you in the new year when we shall continue to nurture, inspire, and delight in the journey of learning and growing together.

To our K2 graduands, I am so proud of you! I wish you a bright and wonderful journey ahead. May it be filled with fun, curiosity, and amazing opportunities. Believe in yourself and soar! You are capable, curious, and loved always.

Warmest regards
Mdm Noor Huda

Preschool News

Children's Day Celebration

The children came in Disney-themed outfits as they celebrated Children's Day on 2nd October. They took part in various Disney-inspired games and enjoyed exchanging small gifts with their peers. Celebrating Children's Day is meaningful as it recognises each child's uniqueness, promotes joy and togetherness, and reminds us of the importance of valuing and appreciating every child's growth, well-being, and contributions to the school community.

Preschool News

Deepavali Awareness

It was a joyful and meaningful celebration as the children came together with their peers and teachers to commemorate Deepavali on 21st October. Dressed in vibrant traditional Indian attire, they engaged in various cultural activities and had the opportunity to try delicious Indian snacks such as murukku. By celebrating Deepavali, it helps children appreciate diversity from a young age, fostering respect, understanding, and a sense of belonging within our multicultural community.

Warisan Budaya

Sepanjang Penggal 4, murid-murid telah diperkenalkan kepada warisan budaya Melayu melalui penerokaan pelbagai pakaian serta perhiasan tradisional.

Murid-murid Tadika 2 telah menerokai tanjak, kain batik dan kain sarung. Mereka berpeluang menyelidik corak dan menyentuh fabrik yang digunakan, serta mempelajari kegunaannya dalam kehidupan harian serta majlis istimewa.

Murid-murid Tajaka 2 pula diperkenalkan kepada perhiasan tradisional seperti sanggul dan dokoh. Mereka dapat memerhati bentuk serta coraknya, dan mendapat tahu bahawa perhiasan ini sering dipakai semasa majlis istimewa.

Aktiviti-aktiviti amali ini dapat menyokong penambahan kosa kata murid-murid, dan menolong mereka mengenali identiti serta keunikan budaya Melayu dengan cara mudah dan menyeronokkan. Mereka telah menunjukkan minat yang tinggi ketika meneroka pakaian dan perhiasan tradisional yang cantik. Pada masa yang sama, mereka dapat membina rasa bangga dan penghargaan terhadap warisan budaya Melayu.

Wenhua Yichan

在“文化遗产——传统服饰”活动中，幼儿通过美术创作、语言表达、趣味游戏等多元化形式，亲身体验传统服饰的魅力。幼儿们在玩中学、学中玩，不仅增长了知识，更加深了幼儿对传统文化的理解和情感。

Preschool News

Disposition Day

The children had an enriching day engaging in discussions and hands-on activities centred around embracing honesty. Teaching preschoolers the value of honesty is essential in helping them build strong character and positive social relationships. It was also heartwarming to see how parents' involvement further enriched the children's learning experiences through stories shared.

Learning Journey to Singapore Zoo

The Nursery 2 children had an enjoyable day during their learning journey to the Singapore Zoo. They explored and observed a variety of animals, which sparked meaningful discussions along the way. The children showed great curiosity and excitement as they engaged in the experience. This trip provided valuable opportunities for them to extend their classroom learning to real-life contexts, helping them deepen their understanding through hands-on exploration.

Preschool News

Learning Journey to River Wonders

The K1 children had a delightful experience during their learning journey to River Wonders. They had the opportunity to observe a variety of animals up close, and eagerly shared their interests and curiosity with their teachers and friends. Some children even had a chance to get closer to selected animals, making the trip even more memorable.

This experience helped them develop a deeper appreciation for nature and wildlife, enhanced their observational skills, and encouraged inquiry-based learning as they asked questions and made connections. Real-world encounters such as these also support language development as the children described what they saw, strengthened their social skills through shared discussions, and inspired empathy and respect for living creatures.

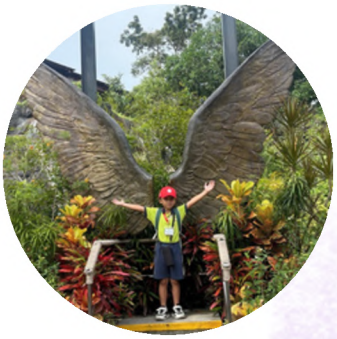

Learning Journey to Bird Paradise

The K2 children had a meaningful hands-on learning experience during their visit to Bird Paradise as they were provided with authentic real-world experiences that help them relate classroom knowledge to their environment. They were able to observe various types of birds up close, and make connections to what they have been learning in class.

This first-hand encounter deepened their understanding and sparked further curiosity about birds and their habitats. It also promoted sensory engagement, encouraged active exploration, and supported holistic development. Additionally, such experiences boost the children's confidence, strengthen their social skills through shared discovery, and inspire a greater appreciation for nature and the world around them.

Preschool News

Fit & Fun Fiesta

This term, we proudly hosted the Fit & Fun Fiesta, an engaging event that unveiled the Sportybots programme to our children and families. The venue was abuzz with energy as the children enthusiastically participated in a diverse range of sports activities including mini rugby, javelin toss, and an exhilarating obstacle course that focused on essential locomotor skills such as hopping, balancing, and coordination.

The children also engaged in several interactive booths that underscored the significance of wholesome nutrition, safety, and good hygiene practices. Furthermore, they gained insights into effective strategies and techniques for managing self-regulation at the 'Calm Down' station. It was heartwarming to witness their learning alongside their peers. The children also demonstrated confidence in their interactions with teachers, and cherished precious moments with their parents.

Preschool News

I CAN SPY! Nature

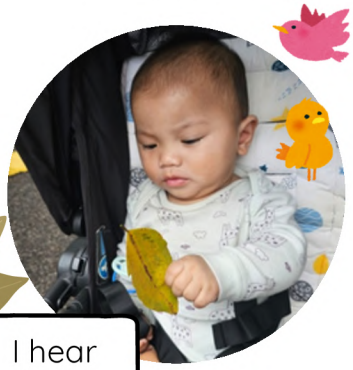

Our Little Bloom children demonstrated great curiosity during their outdoor walk. They eagerly picked up leaves, observed the leaves' shapes, and shared their thoughts with friends. When they were back indoors, they engaged well in a fine-motor activity, shaping and exploring materials with focus and enthusiasm.

The N1 children were also given opportunities to explore the textures of sea shells and participate in short teacher-led discussions about the materials they were investigating.

I hear birds chirping!

It feels rough and bumpy.

Preschool News

Nature Magnified

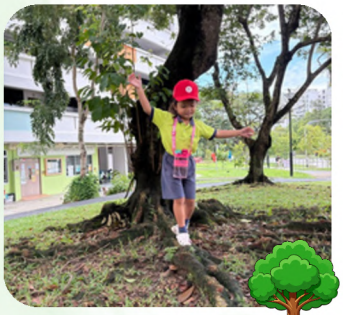

The children delved into the fascinating world of trees and plants, sparking their curiosity and deepening their appreciation for nature. They learnt about different plant parts, how trees grow, and the important role nature plays in our environment.

These experiences offer meaningful benefits for our young learners. Exploring nature helps to strengthen their observation skills, encourages inquiry based learning, and nurtures a sense of wonder about the world around them. It also supports their cognitive development as they make connections, ask questions, and discover new concepts through hands-on exploration. In addition, learning about nature fosters responsibility and care for the environment, which helps children develop a positive attitude toward sustainability from a young age.

Preschool News

Infant

The infants learnt about the theme 'Animals' through a variety of integrated learning experiences across different domains. They showed great enjoyment and curiosity as they engaged in activities that supported their early cognitive development and enhanced their sensory awareness. Their early language skills were also developed as they observed, interacted and responded to different animal-related experiences.

Preschool News

Toddler

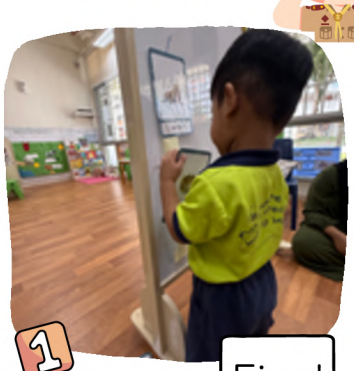

Our adorable toddlers had dived into the ‘World of Animals’ in Term 4! It was an exciting time as they discovered pets, farm animals, and sea creatures. Through engaging, hands-on activities, the children used their senses to observe, touch, listen and learn. It was a delightful learning journey filled with curiosity, exploration, and joyful moments!

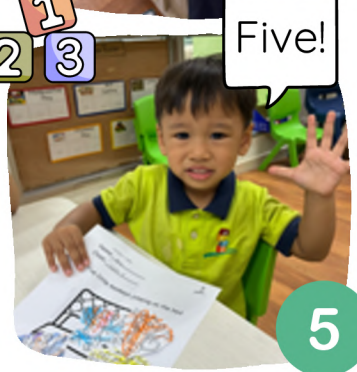

Preschool News

Nursery 1

In Term 4, our N1 children embarked on an exciting exploration of the animal world. They discovered different types of animals — pets, farm animals, and fascinating sea creatures. The children had a blast taking part in hands-on and movement-based activities that brought their learning to life.

They enjoyed animal-themed yoga, caring for a terrapin, sharing their favourite animal books, singing, and dancing. It was truly a joyful and enriching experience for all!

Preschool News

Nursery 2

The N2 children enjoyed a fun and interactive learning experience this term as they explored a variety of topics holistically in a structured environment that nurtures routine, focus, and a sense of security. The children demonstrated curiosity and perseverance when faced with challenging tasks, and they became more aware of new concepts with their teachers' guidance and peers' support.

Through hands-on activities and group interactions, the children were able to build essential social skills, strengthen communication, and develop confidence in expressing their ideas. In-class learning also encourages problem-solving, promotes collaboration, and helps children deepen their understanding through guided discussions and shared exploration.

Kindergarten One

The K1 children enjoyed a wonderfully interactive and engaging learning experience that encouraged them to explore, discover, and experiment with new concepts. Through a variety of hands-on activities, they were able to observe, try out ideas, and make meaningful connections to what they see in their daily lives. Throughout their learning, the children interacted closely with their peers and teachers, fostering strong relationships and developing important social skills such as communication, cooperation, and turn-taking.

Experiences like these are valuable in kindergarten as they promote holistic development. Hands-on learning helps strengthen fine-motor skills, builds confidence, and nurtures children's natural curiosity. It also supports cognitive growth by encouraging problem-solving, creativity, and critical thinking. By engaging in purposeful play and exploration, the children develop foundational skills that prepare them for future learning while enjoying a fun and enriching environment.

Preschool News

Kindergarten Two

The K2s showed great perseverance as they engaged in various activities throughout the term, demonstrating steady progression and mastery of different skills across multiple learning domains. Their interactions with hands-on tasks, peers, and teachers allowed them to deepen their understanding and apply what they have learnt confidently.

These learning experiences help children strengthen their cognitive and motor skills, build resilience when faced with challenges, and develop confidence in their own abilities. Engaging across different domains also promotes creativity, critical thinking, social skills, and holistic development, supporting them in becoming independent and well-rounded learners.

Preschool News

K2 Graduation Ceremony

Our K2 Graduation Ceremony was a heartwarming celebration of the children's growth, achievements, and fun learning journeys. With confident smiles, the graduates showcased their performances and expressed their excitement as they prepare for the next milestone. It was a proud moment for both teachers and parents as we cheered them on and celebrated their hardwork and resilience, and also the friendships formed throughout the years. Congratulations to our K2 graduates!
