Term 4, 2025 Newsletter

Message from Principal

Dear Parents and Guardians,

As Term 4 has reached its conclusion, we reflect on another vibrant and meaningful year together. This term has been a time for reflection and growth for our children. Through hands-on experiences, special events and excursions, each moment fostered exploration, expression and achievement. It has been heartening to witness their curiosity, friendships, and confidence flourish.

I would also like to extend my heartfelt appreciation to all parents for your unwavering support, participation and encouragement throughout the year. Whether through volunteering, collaborating on projects, or simply cheering the children on, your partnership continues has made a lasting difference in their early learning journey.

As the year ends, we celebrate not just milestones, but the relationships built among children, teachers, and families that make our centre a nurturing community. Let us carry forward the joy, laughter and fond memories we have shared into the new year. I look forward to welcoming you back in 2026 for new adventures and continued collaboration!

Warm regards,
Mdm Siti Shahidah

Children's Day

The children had an amazing time on Children's Day! The day was filled with fun and exciting activities, including a delightful picnic lunch. The children excitedly participated in carnival games, had a fun time on the bouncy castle, and enjoyed munching on popcorn and candy floss, too. There was also a special surprise for the children! It was certainly a day for making wonderful memories.

CIRCUS

We would also like to thank all the parent volunteers for helping us plan this wonderful celebration for the children. We could not have done it without you!

Deepavali Celebration

The children had a wonderful Deepavali celebration filled with rich cultural experiences and joyful activities. They explored cultural understanding through different themed booths, each showcasing a unique aspect of the festival. The children eagerly took part in traditional games, tried a variety of festive foods during the food-tasting sessions, and created beautiful rangoli patterns. They also had the opportunity to dress up in traditional clothing, receive delicate henna tattoos, and enjoy lively music and dance performances. It was a vibrant and meaningful celebration that helped them learn about and appreciate the beauty of Deepavali traditions.

Learning Journey @ The Goat Farm

The toddlers and the N1 children enjoyed a delightful and memorable visit to the goat farm together with their parents. They had the opportunity to feed the goats, observing how gentle and friendly the animals were. The children watched with curiosity and excitement as the farmers demonstrated how to milk a goat, learning more about where milk comes from and how farms work. It was a fun, hands-on experience that sparked their interest and created wonderful shared moments for both the children and their families.

Learning Journey @ Singapore Zoo

ZOO TICKET

The children and parents had a wonderful time during our learning journey to the Singapore Zoo. The children took part in an exciting scavenger hunt that encouraged them to observe, discover, and learn. Working together, they followed clues, completed tasks, and explored different zones of the zoo, spotting a variety of animals along the way. This hands-on experience not only made learning fun and meaningful, but also helped the children deepen their understanding of animal habitats, behaviours, and characteristics. It was a joyful and enriching outing for everyone!

K1-幼儿通过了解不同朝代的服饰，感受到传统文化的美感。在观察和欣赏这些服饰时，可以自然提高对色彩，形状、图案的审美敏感度。同时也会注意到袖型、裙摆、配饰，头饰等细节，这样的过程能训练幼儿的观察、比较和分类事物的能力。

K2 Immersion Programme to Primary 1

The K2 children are well prepared and excited for their upcoming Primary 1 journey after participating in a meaningful and enriching immersion programme. During this programme, they had the opportunity to experience aspects of primary school life, helping them build confidence and familiarity with a new environment.

To deepen their understanding, several alumni returned to share their personal Primary 1 experiences. These older children engaged in a friendly and open sharing session, answering the K2s' curious questions about school routines, teachers, homework, friendships, and what to expect on their first day. Their stories offered reassurance, practical tips, and a sense of excitement, making the K2 children feel more confident, informed, and eager to embark on this next chapter of their learning journey.

Disposition Day
Embracing Honesty

During our Disposition Day celebration, the children learnt about the value of honesty through a series of fun and interactive activities.

It was a fun and meaningful event, filled with learning, creativity, and heartfelt reflections on what it means to be honest.

Graduation Day

Our K2 children celebrated an important milestone as they graduated with pride and confidence. Throughout this year, they have demonstrated remarkable growth in resilience, independence, and the development of strong character.

Their graduation marks not just the end of a wonderful preschool journey, but the beginning of many exciting adventures ahead in Primary One. We are incredibly proud of their achievements and look forward to seeing them shine even brighter in the future!

Toddler

Little Chef

The children explored different textures as they dipped sliced potatoes into gravy. As they experienced touching and feeling the smooth potato and the warm, silky gravy, they engaged their senses through hands-on play.

Crafty Arts

The children identified the shark as their favourite sea creature and excitedly chose blue paint to colour a picture of it. They enjoyed discussing what sharks look like as they prepared to create their artwork.

Sensorial Play

The children had the opportunity to touch and feel the texture of baby corn. They also used their fine motor skills to snap the vegetable, observing its firmness and sound as it broke into smaller pieces.

Nursery 1

Gross Motor Activity

During 'Hula Hoop Showdown', the children worked co-operatively as they hopped through each hoop and joyfully imitated the movements of their favourite animals. This activity promoted teamwork, creativity, and active participation as they supported and cheered for one another.

I CAN SPY! Nature

The children participated in a calming yoga session where they followed and demonstrated simple poses inspired by nature. These gentle movements helped them relax their bodies, focus their attention, and explore positive ways to regulate their emotions.

Crafty Arts

The children created their own 2D horse during an art activity. They coloured the horse template and added decorative touches using sequins and washi tape. This activity fostered imaginative expression and supported the development of their fine motor skills as they carefully assembled and embellished their artwork.

Nursery 2

Discovery of the World

Let's learn about plants! The children explored the differences between real potted plants and plastic plants. They examined the textures, colours and scents, as well as discussed how real plants grow and change while plastic ones remain the same.

Nature Magnified

The children were given the opportunity to discover and explore animals living underground. With curiosity and teamwork, they used shovels to dig into the soil and carefully searched for earthworms, observing their movements and natural habitat.

Crafty Arts

The children eagerly created their own caterpillar craft. They experimented with sponge prints and colours to form segments that make up a caterpillar's body. This activity allowed them to express their creativity while strengthening their fine motor skills and colour recognition.

Nature Magnified

During their neighbourhood walk, the children explored their surroundings to observe different types of bird nests, including high cup nests and cavity nests. They were thrilled when they successfully discovered a low nest, showing excitement and curiosity as they examined it closely.

Numeracy

The children had fun learning the value of coins and notes as they explored real-life money concepts through hands-on activities. They engaged in matching, sorting, and simple role-play tasks that helped them recognise different denominations and understand their worth.

Music & Movement

The children learnt to follow beats and rhythms through the song 'Across the Sea'. During the music activity, they listened carefully to the steady beat and practised tapping, clapping, and moving their bodies in time with the music. As they became more familiar with the song, the children were able to identify rhythmic patterns and respond to changes in tempo.

Parent's Testimonial

Testimonial for Kidz Meadow @ Yew Tee

Thank you KM@YT

We would like to express our deepest appreciation to Kidz Meadow @ Yew Tee for the wonderful care, support and love they have shown to our child, Anis Amyrah, throughout her time in the school. As a child with additional needs, Anis has always required a little more guidance and understanding — and from the very beginning, the school's inclusive culture made a world of difference. The teachers at KM@YT ensured that our child could take part in all learning experiences, routines and moments of play, allowing her to grow, learn and feel truly included. This was especially evident during the graduation concert —our child was given the opportunity to be part of every segment, and as parents, we were truly proud and happy to capture those moments.

The principal, Mdm Siti, went the extra mile for our family. She not only reassured us at every step but also extended her kindness by personally guiding and facilitating our child's transition from her Early Intervention Programme (EIPIC) to the preschool. Her support gave us comfort and confidence during a time that could have been overwhelming.

Testimonial for Kidz Meadow @ Yew Tee

Thank you KM@YT

Our child's main teacher, Teacher Diana, played an especially important role. She supported our child with such patience and dedication, and she took thoughtful steps to help her peers understand how to be kind, compassionate and considerate towards her. This created a safe and nurturing environment where our child could thrive socially and emotionally.
Her Malay teacher, Cikgu Diana, was equally encouraging, openly expressing her belief in our child's abilities and potential. Hearing a teacher speak with such honesty and confidence about our child meant more to us than words can say.

Throughout the year, all teachers at KM@YT — including Ms Atika (Centre Admin) and Aunty Shikin & Aunty Jess (Support Staff) — demonstrated remarkable patience, commitment and heart work. They did everything they could to bring out the best in our child, and we saw her grow in ways we never imagined possible.

We are truly grateful to Kidz Meadow @ Yew Tee for providing our child with a loving, supportive and uplifting place to learn. Thank you for embracing her wholeheartedly for who she is and for walking this journey with us.

Anis Amyrah's Parents,
Nur Ashiqin & Suhaimi
