Lead 2D Harmony Animator, 2D SFX Harmony Animator and Senior 2D Animator and with 20+ years of professional experience in animation for international feature films, television series, commercials, and independent productions.

I started in the animation industry working for the Feature Film *ASTERIX AND THE VIKING*, later for *THE PRINCESS* and the *FROG* for DISNEY, soon for *The LION GUARD* TV SHOW made with Harmony using advanced Setup. + more many other show. The latest ONE was called *Fonzy* and his friends.

Specialized in 2D character animation with harmony, tradigital animation, effects animation, Toon Boom Harmony, animation supervision, and production leadership. Experienced in creating the TURN AROUND for the Characters, turn around for the PROPS and TURN AROUND for the INCIDENTAL Characters. Also experience in animating fire, water, smoke, snow and other visual effects, as well as character acting, action sequences, walk and run cycles, crowd animation, and camera movements. Extensive experience working within international production environments and collaborating with directors, supervisors, artists, and production teams. Strong understanding of animation principles, timing, composition, visual storytelling, and production deadlines.

Professional credits include productions associated with Disney, Netflix, Hasbro, Discovery Kids, and other international studios and broadcasters.
