

# CONWAY TEACHER NEWS

**APRIL 9, 2023**

Welcome back!

Although we do not focus on the times that we are not in school; we do know that this year has been challenging for all of us. So, with that in mind, we are now preparing to finish the school year strong. The good news is that we only have about 34 days left with our students. The not so good news is that we have A Lot to do until then. Therefore, we must continue to work diligently with our students making sure that we are spending our time focusing on teaching and learning and not focusing solely on behaviors. Focus on the 90% that are willing to learn and hopefully the 10% will choose to join them.

We must also work on some logistics for next year. We need to finalize our school schedule and consider any building moves if they are necessary. Hopefully, everyone has completed their blue form and has shared any desire to change rooms or content, as well as your desire to seek other opportunities outside of Conway. We will also begin one-on-one interviews with the admin soon. Again, lots to do in this little time left in the school year. But I'm sure we can finish strong because we are #CougarStrong!

## "Get Your Teach On"

Thanks to all who signed up to go to our 1st off-site staff professional development in June. We are in the final stages of finalizing the trip and will let you know all details once we have everything completed.

### PBIS

Many of you have expressed a desire to voice your concerns, questions and issues about some of the PBIS topics. However, some of you are unavailable to attend the meetings. Therefore, a PBIS Jamboard has been created to share your thoughts. Your concerns will be viewed and discussed at the next PBIS meeting.

## Reminders

**Monday, April 10- MAP testing resumes**

**Monday, April 10- ILT meeting**

**Tuesday, April 11- PLC meetings (No staff meeting)**

**Monday, April 17-Racial Equity Meeting (online)**

**Tuesday, April 18- Staff meeting & Admin Code for Special Services training**
