# Weekly Principal Updates & News

Good evening! I hope that everyone of you has enjoyed your weekend. As of tomorrow, we are officially 14 days into the school year. And although the school year has brought several challenges, I think we are off to a great start. I know things could be better, but the flip side is, things could be worse! But here at Conway, there's always the silver lining to every cloud. So as always, I want to start by saying thank you for your dedication and commitment to the students of Conway Middle School and to our community and parents. You guys are the best!

As we continue to move forward I ask that you check your emails for testing dates sent out by Mr. Sharp. Also check for his email concerning iPad rollout. While we are mentioning Mr. Sharp, I want to take a few moments to give him a special thanks for his continued dedication to making sure that our students get iPads. He and Mrs. Travis have been working quite hard on this task. And while he is working hard on this, Mr. Sharp is still teaching his classes. So I definitely want to thank him and those who are helping him for working so hard to make sure this happens.

New on the horizon is the new Student Council and a new daily mantra. We will officially kick off the Student Council by the end of September. Be on the look out for more information. As for the daily mantra, we want to give students an opportunity to create our daily mantra. I will work on the process and send out more information this week. It is our goal to make sure that our students feel that they have a voice here at Conway. We want them to feel as important as we think they are.

Lastly, we have finally hired a new School Counselor. Ms. Gannon Guffy will be joining us here as soon as she is released from her current school of Waggener H.S. I will formally introduce her when she officially becomes a Cougar.

Let's have a great week!!!! #CougarStrong.

# Important Reminders/ Announcements

Each week we want to send a shout out or two to our colleagues who go above and beyond. If you have shout outs that you would like posted each week, please send them to me.

This week's shout outs go to the front office staff. The staff is always welcoming, smiling and helpful whenever anyone needs them. Everyone knows, the people who greet you when you first enter an establishment, can make or break them. The same thing applies here. Fortunate for us, our greeters are always smiling and being a friendly help. Thanks so much Mrs. Schum, Ms. Brock, Mrs. Sample and Mrs. Vititoe. You ladies are AWESOME!!!
